Dear Julie (Alias Ron, Dick, Tom, Frank, Peter, Al, etc.)

Well.... here it is, the close of another year. Just think, next year will be our last. Then we'll be going off to school and getting married. (Oh Gosh!) Remember all the dumb things we did this year. Like  and  and ~~foos~~ and eggs myss meppwsl. As a drunk would say to a make-out "Love 'em all!!" Remember the promises we made for this summer. We're gonna go out and really have fun.

Be good to the bays,
(except Rick, he's mine)

Julie,
Remember Summer
is where she learned of
that does hope to see
you next year if not sooner.
Love a nice summer.

Julie,
To a real sweet girl,
Good luck in your
future years of school,
Love

UTHS Student Approval in Its First Year

A new class which developed from the modern dance unit in junior girls' P.E. was formed at the South Campus. Orchesis, composed of twenty-four senior girls under the leadership of Mrs. Mary Ann Hall, could be spotted every day in their black leotards with the distinctive yellow stripes.

High points of the year included performing in assemblies, opening and closing the exchange assembly, basketball games, and the spring concert, consisting of eighteen acts. The variety of dances and brilliant costuming met with audience approval.

Endless hours of practice before and after school, during vacations, and on weekends developed ideas into polished, well-rehearsed dances. Those dances expressed emotions and symbolized abstract ideas through basic dance steps: the walk, slide, leap, run, and skip. Each dance was an emotional experience for the spectators and performers.

Orchesis was well received by the school as faculty and students alike expressed their appreciation of the fine art of dance.

Royalty Crowned in Morning Assembly

Princess Diane Glendon

The Homecoming festivities began Friday, October 5, when the King and Queen were crowned following the procession of the Royal Court in formal attire. Mary Lou Hunt and Mark Bollaert reigned over the year's Homecoming events. Keene Kruckenberg and Diane Glendon completed the reigning foursome as Prince and Princess. The stage band and the UTHS choir provided music for the Royal Couples, and Larry Sandoval captured the hearts of all with his antics to the tune of "I Feel Pretty."

Following the early dismissal of school, the Homecoming parade was held in the East Moline business district. Included in the parade were the majorettes, the UTHS Marching Band and flag twirlers, Orchesis, the cheer-

leaders, the Royal Couples and a number of original floats and decorated cars. Excitement and tension grew as the Homecoming game drew near.

A special effort was made to include the UTHS Alumni in the festivities. During the halftime at the football game, the grads from years past were introduced to the fans, and the Homecoming Queen of 1960, Mrs. Pam Fulk, was named Honorary Guest. The Panthers put forth a valiant effort to achieve victory. It was a close game with East Moline's Panthers coming out on the losing end, the score 7-9.

The weekend celebration was brought to a climax with the dance Saturday night. The Five of a Kinde combo provided appropriate music for the Royal Court, students and Alumni.

UTHS Players

Out of 47 students who tried out for the UTHS fall play "Kind Lady," thirteen were chosen. Cindy Leahy portrayed a dignified middle-aged woman, Mary Herries, who lived alone in her London home. She was trapped by a family of brilliant swindlers led by smooth-talking Henry Abbot, who was portrayed by John VanAusdall. The diabolic crooks, whose goal was to obtain possession of the valuable art works owned by Miss Herries, tricked the aristocratic woman's friends and relatives into believing she was hopelessly insane. Mary Herries began to doubt her sanity after being held prisoner in her own home until the dramatic final scene when the plot was uncovered and the helpless victim was rescued.

"Kind Lady," directed by Mr. Kenneth Beausang, was presented by the UTHS players October 11th and 14th in the South Campus Auditorium at 8:00 p.m.

Thrills, chills, and high dramatic excitement were enjoyed by all who attended this psychological drama by Edward Chodorov.

Mrs. Edwards (Brenda Newman) tries to console the almost hysterical Mary Herries (Cindy Leahy)

as Henry Abbot (John VanAusdall) and Mr. Edwards (Pat Stout) look on.

Mr. Foster (Steve McNinch) ponders what to do about the disturbing note he receives from Miss Herries.

Lucy Weston (Ginny Colby) exclaims that a small gift is the least she can do for the maid, Rose (Cindy Brown).

"Time Out for Ginger," a comedy by Ronald Alexander, was presented January 11th and 13th at 8:00 P.M. in the South Campus Auditorium. The young cast, most of whom had had no previous acting experience, presented a highly entertaining production.

Miss Carolyn Urban, Assistant Director of Theatre at UT produced the play with technical arrangements handled by Mr. Kenneth Beausang.

A cutting from "Time Out for Ginger" was used as the UTHS contest play entry for 1968.

Thespians in Big Hit "Time Out for Ginger"

Thespian Officers are Sergeant-at-Arms, Steve Ligner; Vice-president, Ginny Colby; President,

Cindy Leahy; Clerk, Jamie Horst. Absent from picture is Secretary, Lynn Heinze.

Beginning the year with a big splash, the Thespians held a scrub party in the fall to clean the basic scenery pieces for painting.

The first major production of the year was "Kind Lady," the fall play. An elaborate set as well as intense acting provided two evenings of enjoyable viewing.

Junior and senior Thespians took over the backstage activities for "Time Out for Ginger" as the underclassmen took their places behind the footlights.

In February the year's biggest production, "Carnival," was presented. Countless hours of construction, costume making, backstage work, and rehearsals combined to make the show a superlative production in the true East Moline tradition.

Sponsor for Thespians was Mr. Kenneth Beausang, Director of Theatre.

A picnic at the end of the year at which awards were presented climaxed the Thespians' activities for the 1967-68 season.

Nights of Standing Ovals

"Candy, balloons, lollipops," called the vendors as "America's Magical Musical-Carnival" hit the stage February 22, 23, and 24. Highlighting the year's dramatic presentations at UTHS, the musical had a cast of over forty principals, dancers, and chorus people.

The show centered around Lili a young French orphan who got a job working with the puppet show. Embittered by a crippling injury Paul, the head puppeteer fell in love with Lili, speaking to her through the puppets. Jacquot, assistant to Paul, the comic relief couple Marco the Magnificent and the Incomparable Rosalie, as well as pot bellied carnival owner B. F. Schlegel rounded out the cast of major characters.

Assisted by Miss Carolyn Urban and student director Cindy Leahy, "Carnival" was directed by Mr. Ken Beausang, dramatics teacher at UTHS. Choreographer for the show was Mary Lou Dennhardt. Musical director Mr. Dennis Oliver was assisted by senior Lynne Heinze.

Dashing "Marco the Magnificent" (Steve Lingner) and Roustabouts Tony Dillon, Pete Darby, Dan Huber, and Dave Leenknecht overwhelm Lili with "Sword, Rose and Cape" chivalry.

"The Incomparable Rosalie" (Ginny Colby) and Carnival proprietor B. F. Schlegel (Jamie Horst) engage in some hilarious, if tipsy, "Humming."

Under the direction of Mr. Mallie Williams, the marching band began its 67-68 season with summer band. Twice a week on sweltering summer evenings these dedicated students drilled and marched miles in the South Campus parking lot.

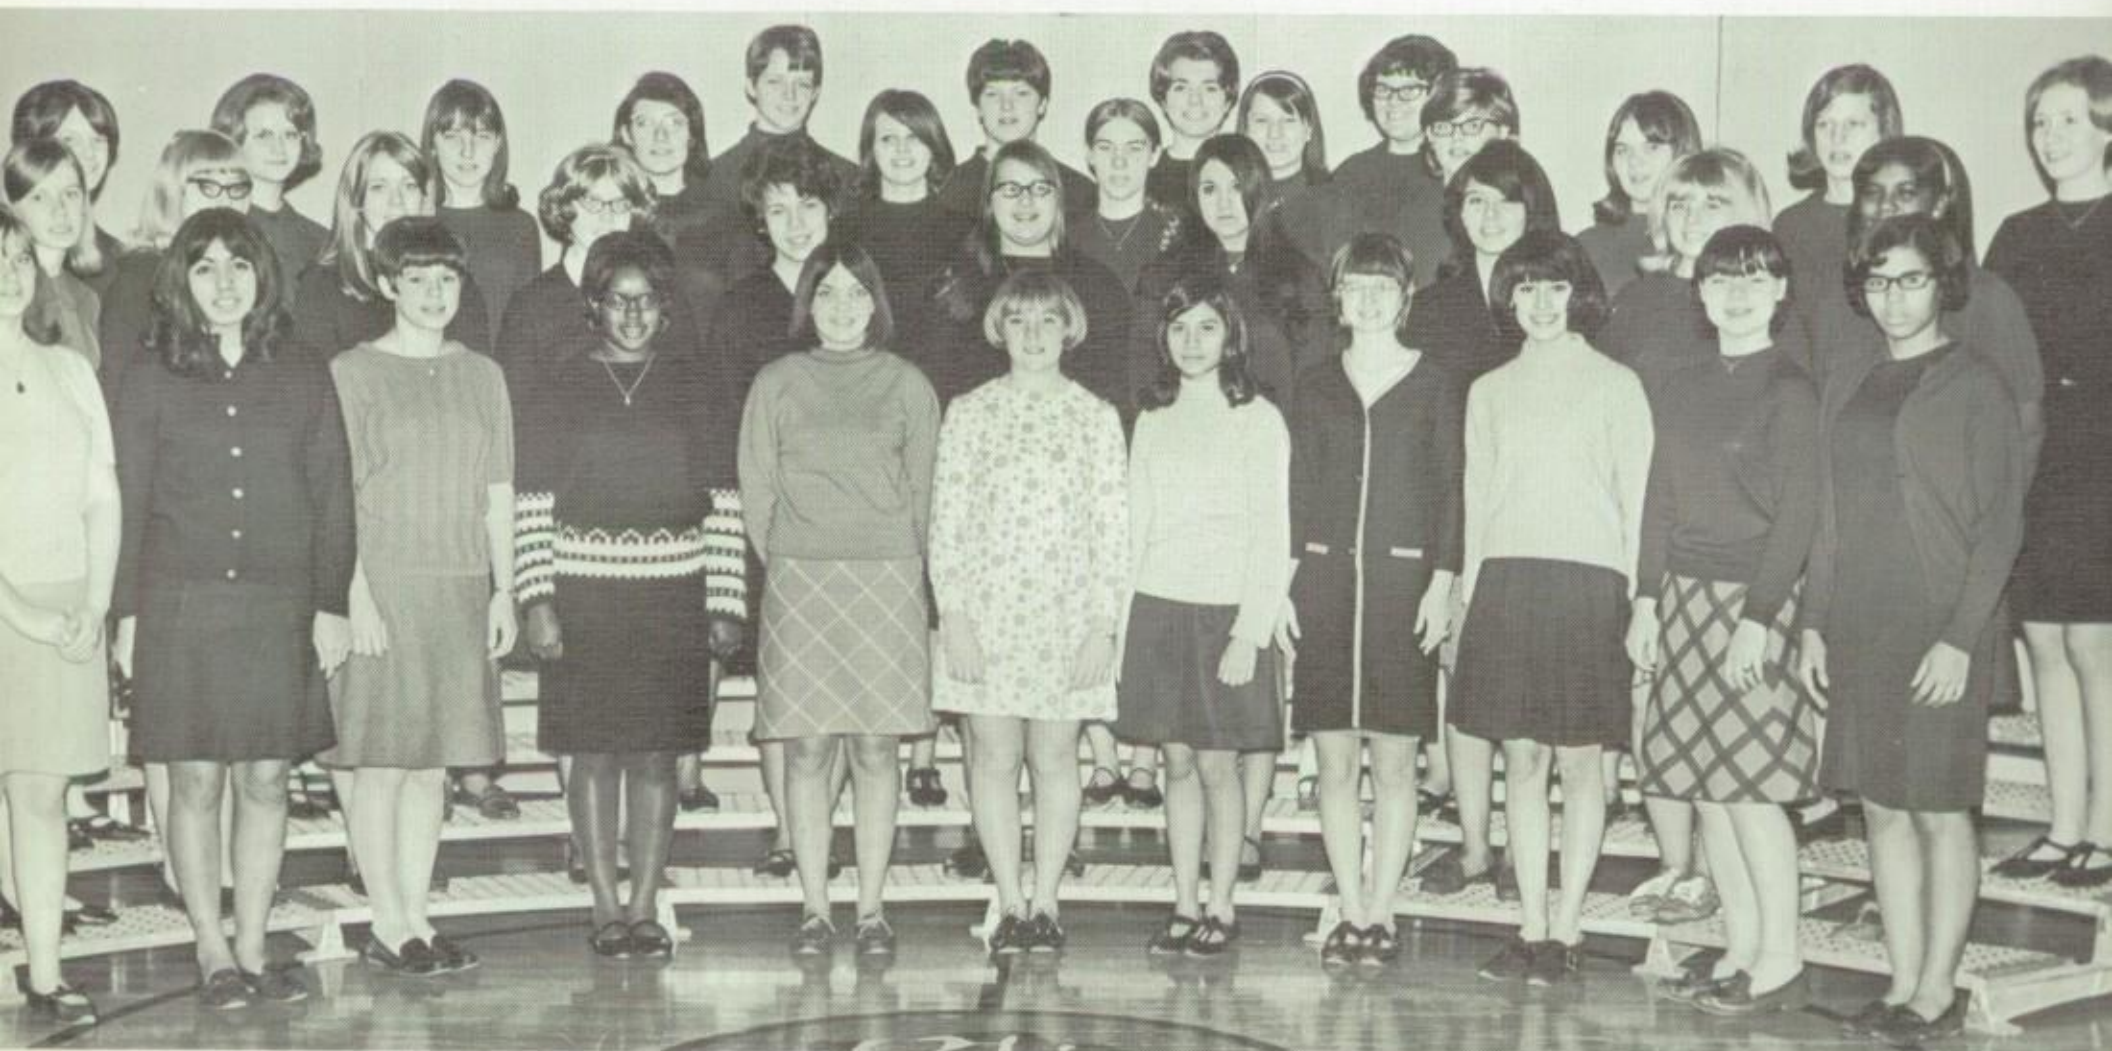

In the summer the band marched in the Fourth of July parade and presented the Summer Band Concert. A new feature of the band was fourteen flag twirlers in orange and black uniforms. The five baton twirlers also received new uniforms from the band parents.

Spectacular and original halftime shows at football games were the result of long hours of fall practice. In one show all the lights in Soule Bowl were darkened, small lights on the players heads lit up, and head majorette Cindy Leahy performed a dazzling routine with the fire baton.

The UTHS Concert Band, also directed by Mr. Williams, participated in state-wide contests in the spring and presented concerts to the public. The bands of UTHS also performed at basketball games, and participated in assemblies. The stage band was featured in the exchange assembly.

Christmas Vespers and Spring Concert

Providing excellent musical entertainment in concert and on special occasions were the North and South Campus vocal groups.

At the South Campus under the direction of Mr. Dennis Oliver were the Concert Choir, the Girl's Glee Clubs and Mixed Chorus. Singing at the Homecoming Assembly, Christmas Vespers and in the Spring Concert were the main activities of the Concert Choir.

The Girl's Glee Club members showed great initiative by making robes to enable them to sing at a special Veteran's Day Assembly. Selected ensembles from these groups performed at various community functions during the year.

The Allegro Chorus, Crescendo Chorus, Mixed Chorus, Aeolian Chorus and Cambiata Chorus were headed by Mr. Dyer. Singing at assemblies and in the Midwinter Pops Concert highlighted the year for the North Campus performing groups.

Groups from both campuses traveled to state competition in April, bringing top honors to the school.

The Mind's Eye

Stacks of short stories, poems, and essays to read and edit, artwork to judge, and a cover design to select comprised the work of the 1967-68 *The Mind's Eye* staff.

Beginning after Christmas, the readers and editors of each division met and discussed as a group the merits of each story, poem or essay submitted.

Under the direction of editor Karen Kerckhove and with the advice of Mr. Edward Belan, sponsor, work proceeded smoothly. The finished product displayed the time and effort contributed by the staff along with the literary talent of the school.

The local Quill and Scroll Society chapter was reactivated in the fall of 1967 with the initiation of eleven members. Requirements for membership in this honorary journalism society are academic rank in the upper third of the junior or senior class and proficiency in some phase of UTHS journalism. "Recognizing quality and ability and contributions to student journalism is the major objective of Quill and Scroll," stated advisor George S. Miller.

Works Hopefully for All-American Rating

After a grueling day of advertisement soliciting the Staff takes time out to pose for a picture.

Sponsor Robert Eckermann and co-editors Mark Almlade and Ginny Colby led a hand-picked team of specialists in piecing together the biggest and best *Skyline* ever. Out of seventy-five applicants for positions on the 1967-68 staff, twenty-three were chosen. Among the qualifications necessary were a B average and a willingness to work long, tedious hours.

The work of John Adolphi, new photographer to East Moline, brightened the pages considerably. Many changes in type, paper and the basic layout greatly improved the book.

Delegates from the *Skyline* staff attended yearbook clinics at Illinois State University, Augustana, and the University of Illinois at Champaign. At these conferences ideas were exchanged and new techniques were learned by yearbook staff members.

Even though many hours during and after school, many vacation days, and late evenings were spent hard at work on the *Skyline*, the staff members one and all heaved a sigh when it was all over and admitted "It was worth it!"

Sherry Fieser, Mr. Miller, and Bob Lewis discuss plans for UT's Top Records Poll as reported in the Key.

Word for 1967-68 *Key* as High Rating Is Sought

The *Key*, biweekly newspaper of UTHS, underwent a complete reorganization. For the first time in several years the *Key* was sent to three rating services: the Columbia Scholastic Press Association, the Quill and Scroll Society, and the Northern Illinois Scholastic Press Association. Ratings received from these three groups helped improve writing and editing techniques and layouts in the paper.

Mr. George Miller in his first year as *Key* advisor initiated many staff and editorial changes. The positions of Co-Editors were replaced by Editor-in-Chief of Bob Lewis, and Managing Editor Sherry Fieser. The nameplate was changed from a key to a circular seal celebrating Illinois Sesquicentennial. Editorials were more concrete, and columns devoted to music, and sports as well as book reviews were added for more interest.

Four special issues met with student approval. A six page Homecoming issue, a Christmas issue printed on green paper with red ink, a literary issue in which student writings efforts were printed, and a graduation issue were highlights of the year.

Key Staff members Penny Cruzen, Sherry Fieser, Bob Lewis and Cindy Leahy received journalistic recognition with their fall induction into the newly reactivated Quill and Scroll chapter. Academic rank in the upper one third of the class and excellence in journalism were requirements for membership. In the spring initiation, more members of the *Key* staff were initiated into the honorary society.

National Honor Society Elects "Student

The L. O. Dawson Chapter of the National Honor Society, organized at United Township in 1956, maintained its position as the top scholastic organization of the school. 33 members were chosen in May of 1967 on the basis of scholarship, service, character, and leadership.

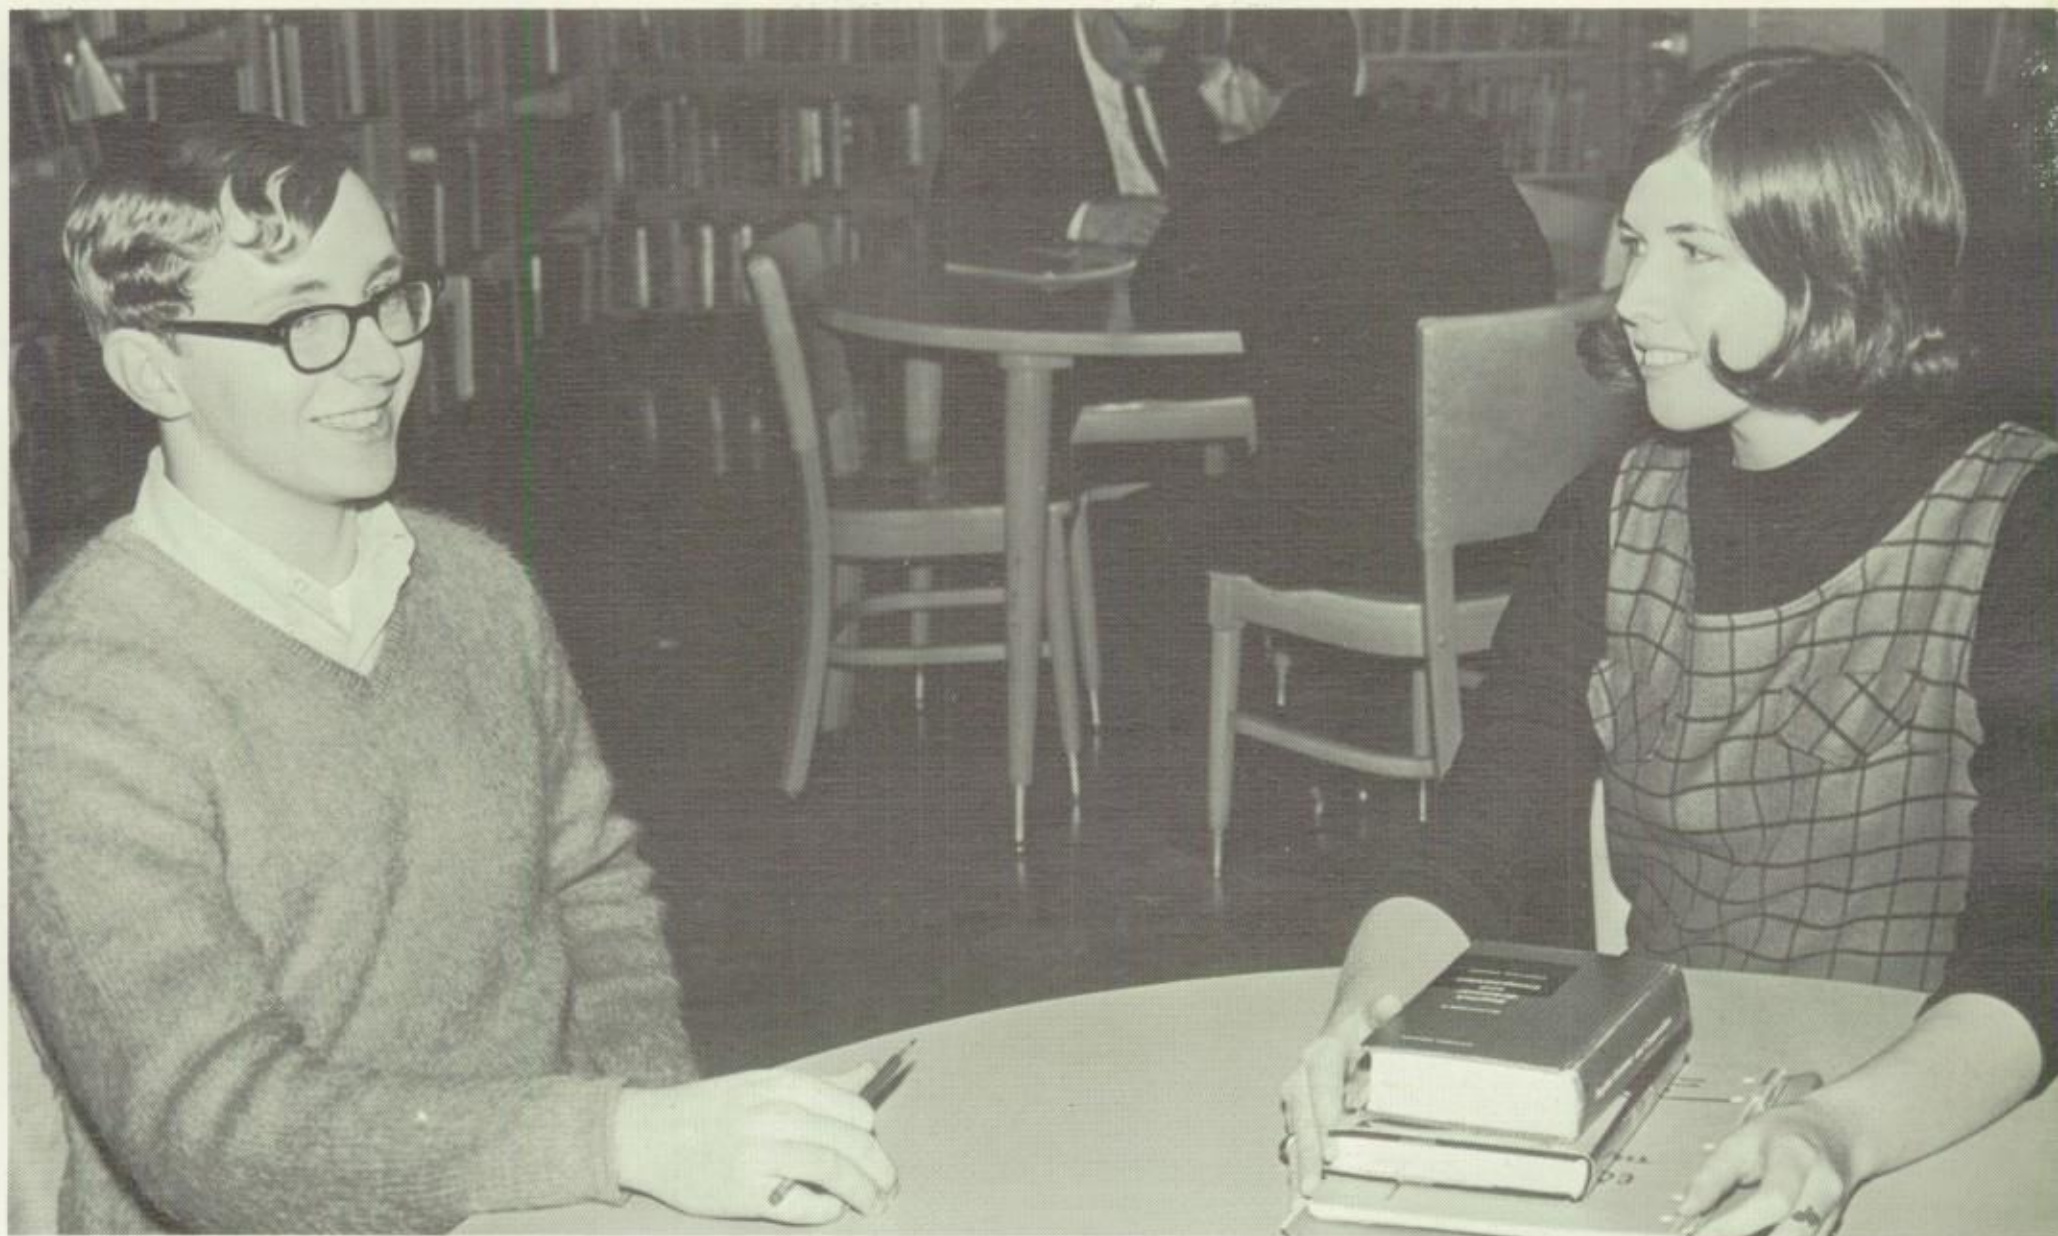

Sponsor for the National Honor Society was Miss Rita Miller, counselor at the South Campus.

Among the activities that the Society initiated were to pick a Student of the Month and to sponsor the building of a society plaque. The Student of the Month award was based on a person's activities, leadership, and contributions to the school. Those chosen got their picture along with a list of their activities posted in the front showcase. The plaque was built by the shop classes at UT and was an enlarged likeness of the official pin.

Bermudas—UTHS Student Council Week

The Student Council under the supervision of Mr. Larry Greer was an extremely active organization at UTHS. Besides attendance at UT council meetings, delegates represented the school at Quint-City Student Congress, Pekin District meetings, and the State meeting. Intra-school activities organized by the Student Council included Homecoming, Student Council Week, and Dress-Up Days. The Council was also responsible for choosing Pete the Panther for 1967-68.

Members of the 1967-68 Student Council included fifteen delegates from each class, the presidents of the four classes, the AFS student, Eddy Rosero, Student Council president Mark Bollaert, and Vice-President, Steve McNinch. Officers included the four from South Campus and North Campus assistants.

As President Mark Bollaert expressed it, "The purpose of the Student Council is to improve School Spirit and develop stronger bonds between the students and the faculty of UTHS."

The 1967-68 AFS student, Eddy Rosero, hails from Ibarra, Ecuador. Her adopted family, Mr. and Mrs. Gorman Hunt, Tony, and Mary Lou learned Spanish at the same time Eddy learned English. She came to America with a very limited vocabulary but left speaking almost as well as a native.

In Ibarra, Eddy edited her school newspaper, was vice-president of her school's Red Cross chapter, and an active member of the Girl Scouts. In her free time she knitted and crocheted beautiful sweaters and skirts which she brought with her from Ecuador.

In her year in America, Eddy earned good grades, participated in Student Council, Spanish Club, and Homecoming Royalty, made many friends, and learned of a way of life different from the life she had known in Ecuador.

At home with her adopted family, Eddy gets an idea of life at UT through the 1966-67 Skyline.

Craig Rowlands rolls in for Panthers first score.

Varsity Squad

The 1967 Panther football team began the season with great hopes and expectations. However, early injuries to key players wounded the Panthers mortally.

The Panthers drew their first blood against arch rival, Moline. But East Moline's defense had its lapses, and the Maroons salvaged a 26-7 win.

The following week, the Panther Homecoming instilled new enthusiasm into the fighting eleven. East Moline dominated the game in every phase, but in the second quarter, a blocked punt resulted in an Iowa City safety. At the half, the score remained Iowa City—2 and East Moline—0. Early in the fourth quarter the Panther defense momentarily suffered its only breakdown of the evening after an injury to linebacker Bobby Wilson. The Panthers came scrambling back, when Merlin Hood scored with just sixteen seconds left in the game. Final score: Iowa City—9 and East Moline—7.

On October 27 the Panthers traveled to Brady Street Stadium to tangle with

the West High Falcons. The Panthers opened the scoring with a twelve yard scoring strike from Dan Cogdill to Brian Smith. After a stalemate at mid-field, the Panthers opened the second quarter with a march to the West six yard line where Cogdill hit John Perez with a short screen pass, and Perez bulled his way over for the score. West came back in the waning moments of the half, however, and scored their first touchdown of the night, making the score 12-7. West scored the first time they handled the ball in the second half, and then the two teams settled down to wallowing in the mud. Late in the fourth quarter Bill Wallace capped a Panther drive by scooting six yards for the score. With 3:14 left in the game, it looked good for the Panthers. West returned the ensuing kick-off to the 47. From there they alternated ball carriers until West scored from the Panther seven with 56 seconds left in the game. The final score: West—20 and East Moline—19.

Chuck Wilson

The final home game of the 1967 season found the Allemen Pioneers pitted against the Panthers. In the mud and muck of Soule Bowl the early going proved to be a foreshadowing of the defensive battle to come. Led by Chuck Wilson, the Panther defense held the Pioneers to a missed field goal attempt. The Panthers failed to capitalize on a good field position resulting from interceptions by Bob Stenzel and Craig Rowlands. The final gun found the Panthers struggling at midfield. Final score East Moline—0 and Allemen—0.

Hampered by inexperience the Panthers never gave up their quest for victory.

Team to Excellent Season

The 1967-68 Cross Country team of United Township turned into one of the finest teams in UTHS's recent history. Captain Dave Schave led the way for an inexperienced Harrier squad with five individual firsts. The Panther distance men lost their first three meets. After beating Geneseo's Harriers the Panthers came in 5th and 6th in the Quad City and Mississippi Valley meets respectively. On the 14th of October the young Panthers came to the turning point of their season. At the Sterling Invitational they came in 6th out of 22 teams. At the second Quad City meet they finished fourth. In the final dual meet of the season against Alleman, Dave Schave set a new course record, but finished second because of a delayed start. The Mississippi Valley two mile race found the Panthers taking 4th. At the Final meet of the season, the District, the Panthers finished 6th out of 26 teams. Dave Schave reached his high point of the season by finishing second and qualifying for the state meet. The season had ended with the Harriers proving themselves strong.

New head coach Cliff Talley guided the Panthers to a 75-46 opening victory over Assumption. In their second start, a road game, the cagers lost to a highly rated Quincy quintet.

The defending Valley champions, Cedar Rapids Jefferson visited East Moline on December 2. The Panthers, remembering the '67 season, soundly trounced Jefferson 70-55.

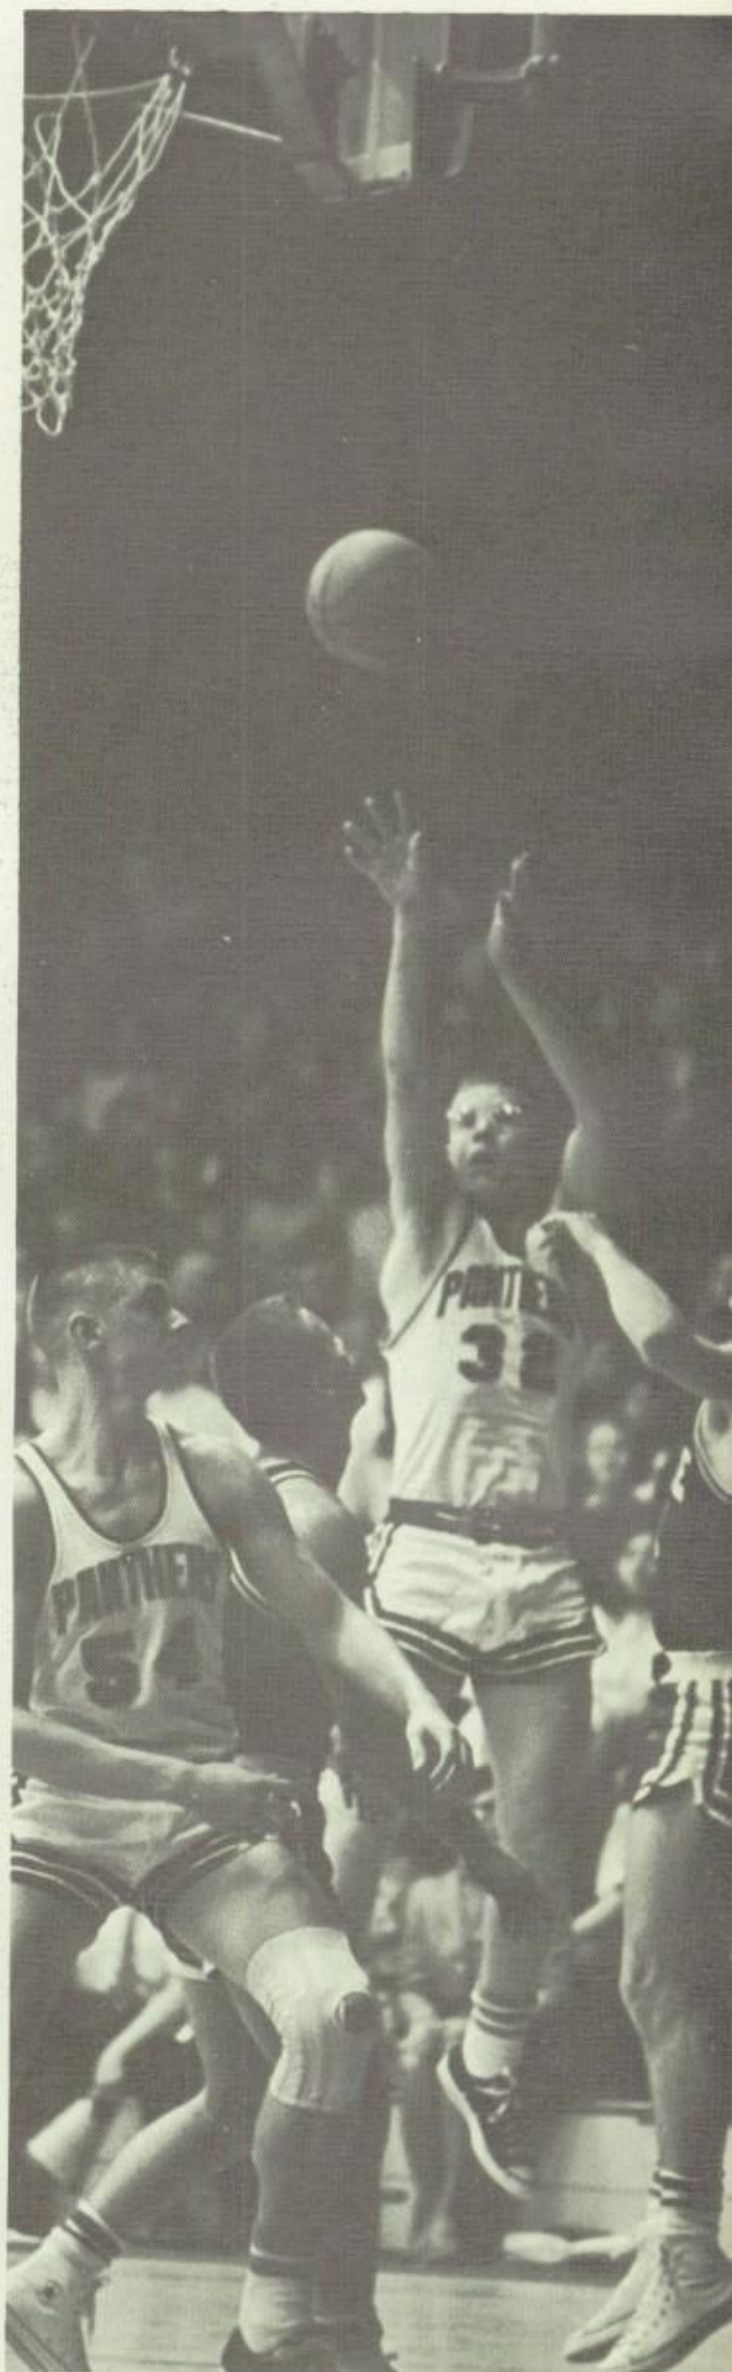

Arch rival Moline visited Pantherville the following weekend. The conference lead rested on this game and with three seconds left, it still wasn't decided. Reed Mayfield stole the ball and drove down court. The hearts of over 5000 stopped as he missed the lay-up and calmly pumped in the rebound with no seconds left on the clock. Final score, East Moline 53, Moline 51.

Valley newspapers began playing up the championship battle with unbeaten Dubuque yet a month away. Adding to the talk, the Panthers completely ran arch rival Rock Island off the court at Rocky the following weekend, 79-55.

Darrel Samuels stretches high, to launch his patented jump over a Moline Maroon.

Highly rated Rockford Auburn played host to the high flying Panthers for their next game. The Panthers half court press and running tactics ran up a 92-69 victory.

Outstanding single game performances for the year were Dale Adamson's 30-point outburst against Iowa City and Darrel Samuel's 36-points against Alleman, both performances leading the Panthers to wins.

A disputed last-second shot decided the East Moline-Dubuque contest in Dubuque with the hosting Rams receiving the nod. Dubuque went on to take the conference championship while East Moline took a strong fourth. East Moline gained the No. 1 seed in the East Moline regional tournament, and went on to win it against arch rival Moline.

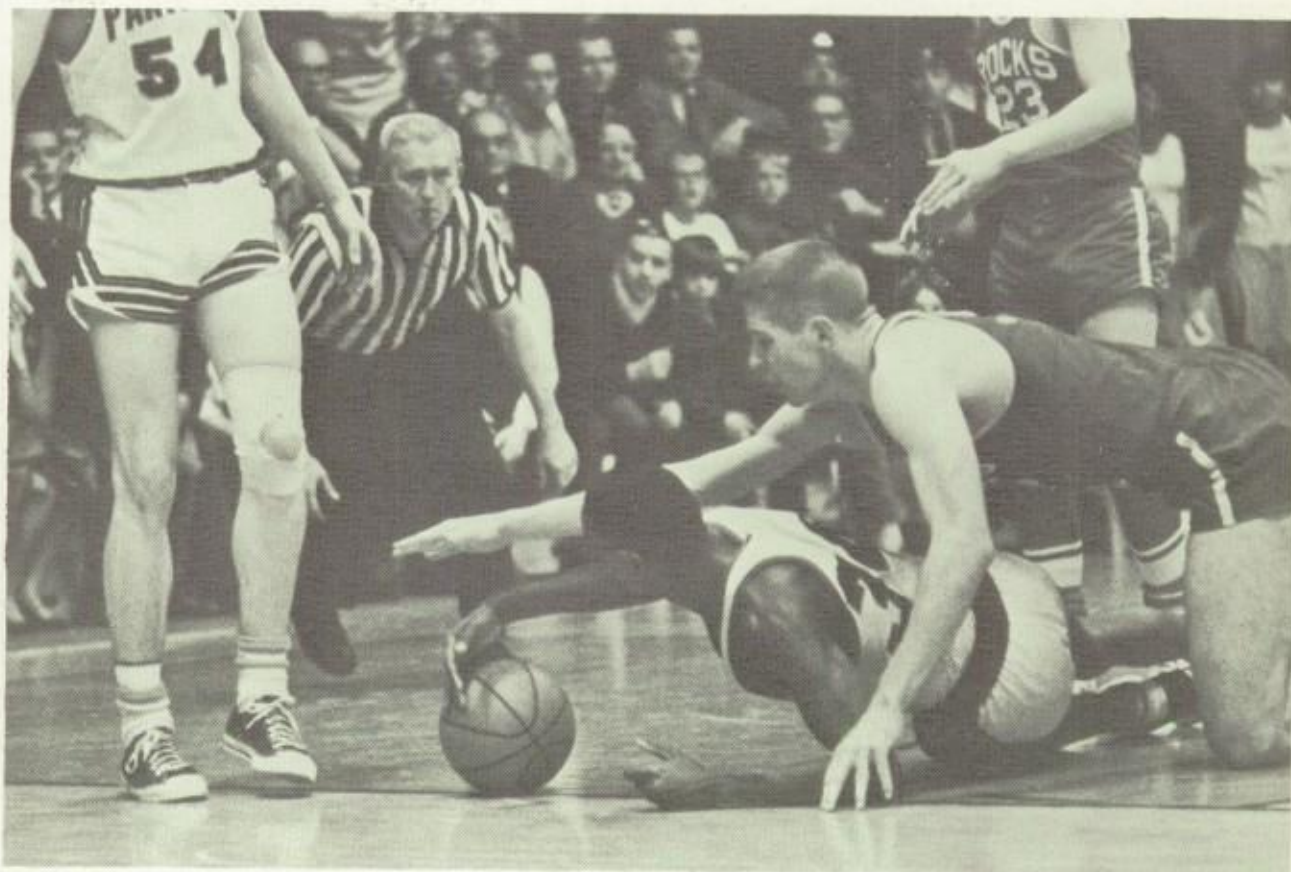

Reed Mayfield strikes a typical pose at the end of a successful fast break.

Drawing from two fine freshmen teams of 1966-67, sophomore coach Dave Marr added a flare of his own and captured the Mississippi Valley Sophomore Crown. Coach Marr's starters lost high scorer Bennie Haliburton to the Varsity early in the year, but with outstanding effort by the team, especially Craig Davis, Daryl Griffin, Dan Klinginsmith, Malcolm Samuels, and Bob Gardner, the young Panther Cubs managed to compile a 13-1 conference record. The year was Coach Marr's finest season since becoming head sophomore coach.

Head Coach Bert Hanlin and Steve McNinch help to lead cheers for an anonymous Panther wrestler.

Bert Hanlin proved very successful in his first year as East Moline's head wrestling coach, leading his team to a 10-5-2 season record.

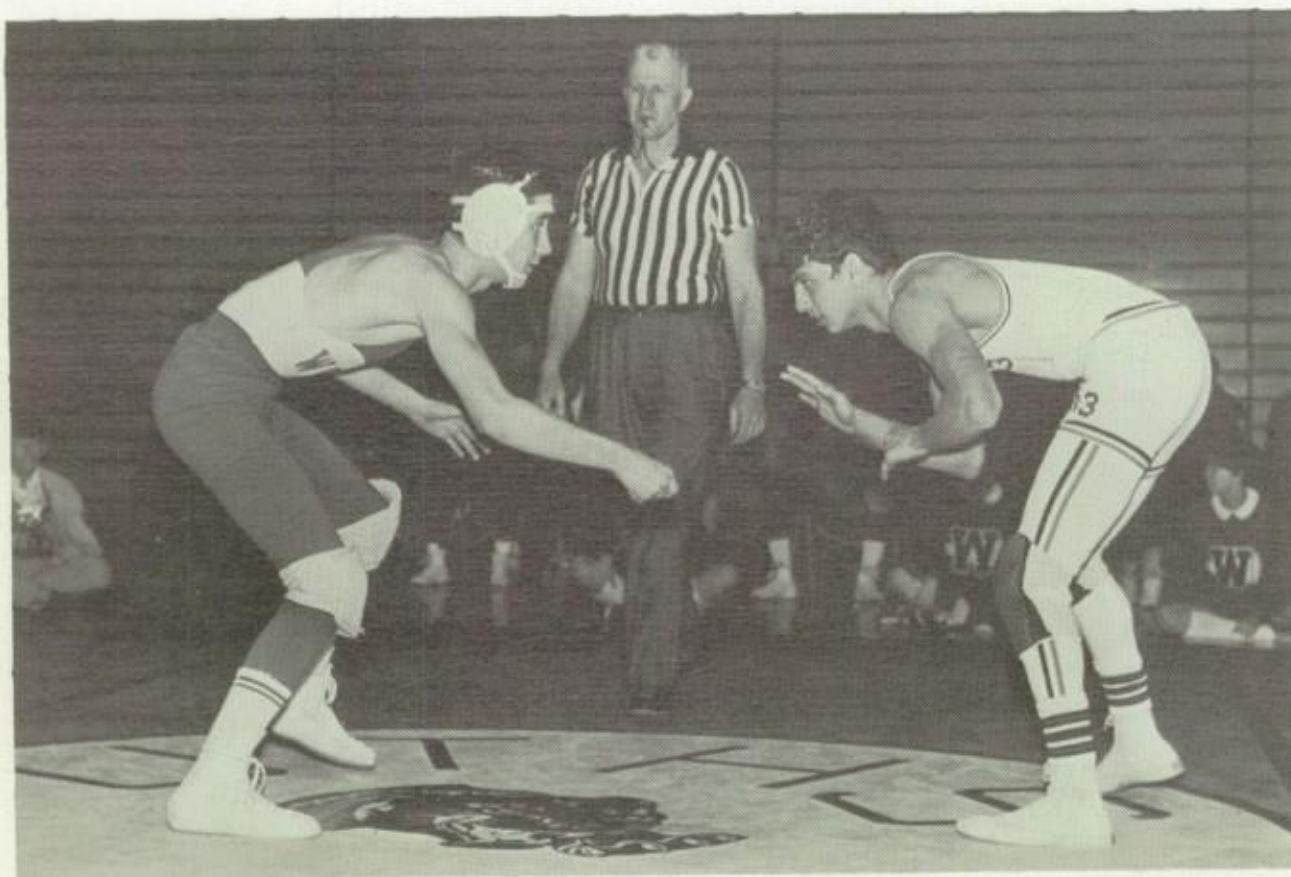

The Panthers won the district tournament at Moline and captured second in the sectional at Rock Island. One of the highlights was sending three wrestlers to the 1968 state wrestling meet at Evanston.

Senior Mark Bollaert, who wrestled at the 120-pound division, gained revenge against Alleman's George Johnson by taking second place in the sectional. Johnson had beaten Bollaert in overtime earlier, but the East Moline grappler came back to pin him in the sectional.

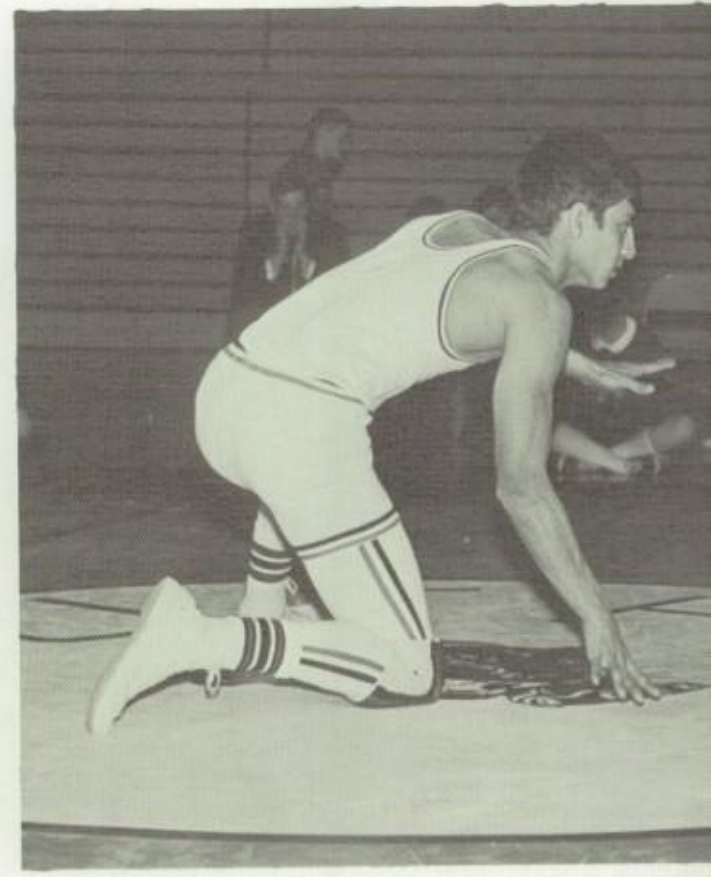

Bill Burke took first in both the district and sectional tournaments. The 180-pounder upset Dan Bradley of Rock Island. Burke pinned him in the district and defeated him in the sectional by a 4-0 count.

Rick Ramirez surprized Coach Hanlin by having a fine junior year topping it off by winning the district. Ramirez came back to claim second place in the sectional.

The Panthers had Larry Hobbs, Craig Rowlands, Gunter Terronez and Bill Wallace each taking title in the district. They also claimed first in the Illinois Quadrangular and took third place in the East Peoria Invitational.

Girls Capture Quad City Championship

Number one doubles team in the Quad Cities, Barb Hughes and Barb Vyncke with their coach Pat Scott.

The 1967 Panther girl's tennis team began their march to the Quad City championship against Davenport Central by taking six out of seven singles matches and four out of five doubles. The following week the Pantherettes lost their only match of the year to Rock Island by a close 4-3 singles score. The girls bounced back strongly against Moline with a 6-1 singles and 5-0 doubles defeat. Backed by their reserves Pat Mihevic, Michelle Dhont, Joan Bergstrand, Nancy Causemaker, Joan Bert, and freshman Sue DeKapp, Mrs. Scott's racketeers made the turn into their final weeks of the season defeating Davenport West 4-1 and gaining their revenge against Rock Island, 4-1 in doubles matches.

East Moline went into the girls Quad City tennis tournament with three girls and three doubles teams undefeated in previous play. Barb Vyncke and Barb Hughes went on to win the doubles championship in the Quad City conference. LuAnne Petersmith and Therese Vyncke reached the semi-finals of singles play.

Commenting upon their victories, Mrs. Scott said, "I think it's terrific. We are very deserving. The kids have worked very hard."

Geneseo Meet and State Meet at Wheaton

Organized for 18 years, the Rifle Team of United Township has been under the direction of Paul Oliver, North Campus Industrial Arts teacher for the last 16 years. Affiliated with the National Rifle Association and the Illinois State Rifle Association the Rifle Team provided safety training in the use of firearms. Through competition at the national level, team members were able to acquire individual ratings.

Weekly practice sessions were held in the basement firing range at the North Campus, with a final intersquad match held at the last meeting. The winner of the intersquad match was presented with the club championship medal.

Primary sources of competition for the Rifle Team were the Milan Junior NRA and the Geneseo Junior NRA.

Team scores were figured from the total number of points scored by four team members in the four basic positions; prone, sitting, kneeling and standing.

Highlight of the year was the state match at Wheaton, under the sponsorship of the Illinois State Rifle Association and the sectional match held at Geneseo under the auspices of the National Rifle Association.

Spur Teams on to Victory

Aspelmeire, Jean Frels.

"We've got the spirit that a great team needs . . . We want a basket . . . first in ten . . . do it again!"

Yelling, jumping, cartwheeling and flipping, the UT cheerleaders promoted school spirit and spurred the Panthers on to victory. Practice for the girls was usually held two nights a week and attendance at games or meets was mandatory. The five squads, varsity, wrestling, sophomore, and freshman Orange and Black consisted of five or six girls apiece. The spirit and personality displayed by the girls helped make cheering a fun-filled experience.

Mrs. Pamela Fulk, English teacher at the South Campus was coach for all the cheerleaders.

The style was uniquely East Moline as they executed cheers and acrobatics with precision and just the right amount of spunk. New ideas from the summer cheering campus were put into use to help improve the traditional style.

An invaluable help in making the Panther's roar louder was Pete the Panther, Sally Hull and alternate Amy McKaufsky.

The cheerleaders contributed to student enthusiasm as school spirit hit an all time high in 1968.

Bio-Chem-Ics member Chuck Loding replaces a balance after weighing the results of a club experiment.

This year the Bio-Chem-Ics Club was under the direction of Mr. Tyler, physics instructor at South Campus. At the meetings held every three weeks, scientific films were presented and discussions followed. Activities included a Bake Sale at the East Moline State Bank in February. A combination field trip and social outing to Chicago in-

cluded a tour of the Museum of Science and Industry.

Throughout the year the Bio-Chem-Ics Club worked in cooperation with the Moline Science Club to promote a better understanding of science for the members of both groups and to benefit from the exchange of ideas.

Library Club members spent many hours slipping and shelving books, changing newspapers, taking attendance, and pulling magazines. The experience gained by aiding the librarians in daily tasks gave assistants knowledge of the library and its functions.

Glen Home Are Adopted as FHA Activities

The support of an overseas child was the leading project for the Future Homemakers of America in 1967-68. Members who had written to orphan Jewelton Bolin received letters of thank you from her.

The adoption of 20 grandmothers from the Oak Glen Nursing Home inspired visits each month to the Home, a present or a homemade cake for the women to enjoy, and Christmas and Valentine parties.

To sponsor these projects, the club sold Panther stationary. Parties were celebrated by the members at Christmas and Easter.

At the F.H.A. business meetings, speakers were part of the format. One meeting featured a speaker who had attended the F.H.A. National Convention in San Francisco, California; she showed films during the program.

The Future Nurses of America was one of United Township's most active clubs during the 1967-68 school year. The club members participated in many varied activities including field

trips to different hospitals, working in the school nurse's office during free periods, serving as volunteers at hospitals on weekends, and selling candy as a money-making project.

Through this organization girls had an inside glimpse of the hard but rewarding work that will be in store for them in later life.

Pantherland school spirit was greatly increased with the formation of the 150 member Pep Club. The club consisted of students from both campuses. Practices, led by varsity cheerleaders, were

held in study halls before school on days of games. During games, both at home and away, Pep Club members were required to wear dark skirts and white blouses. Each member had either

an orange or a black pompon to use while cheering. The club was an outstandingly impressive organization as it led UT fans in cheering.

Distributive Education Club Members Attend

Yvonne Hildebran participates in the D.O. program by working as a medical lab technician at Lutheran Hospital.

Distributive Education was the only organization in America's schools that promoted careers in marketing and distribution.

During the year, the D.E. class went on several field trips. The first trip was to Chicago, where Distributive Education members visited the Merchandise Mart and Charles Steven's Department Store. December 4th the D.E. class went to Bettendorf to hear the National Distributive Education Clubs of America President, Robert Rasmussen speak. In January, the United Township D.E. class went to Galesburg where plans were made for a conference. Six members of the UT D.E. class went to the Distributive Education State Conference in Peoria.

In May, the United Township Distributive Education students honored their employers at an employee-employer banquet.

Officers of the 1967-68 club were Mary Jo Eleopulos, president, Gary Cheek, vice-president, and Ron Curtis, secretary-treasurer.

D. O. Club for Vocational Training Students

The Diversified Occupations program was designed to provide vocational training for high school students. The students alternated on a half-day schedule between study and on-the-job training. During the time of employment, the student learned skills of his future occupation. The students received wages equivalent to those of an apprentice. A minimum of fifteen working hours was required to earn credit.

Some of the occupations students participated in were auto mechanic, hospital attendants, pharmacists's assistant and X-ray technician.

Building Skills to Win Float Competition

Better understanding between the vocational classes was one of the basic goals being promoted by the 1967-68 Tri-Mic Club. Purposes of the club were to maintain a spirit of craftsmanship, aid students in an intelligent choice of occupations, improve scholarship, and promote safety. These goals could best be exemplified in the building trades construction of the homecoming float that captured first place. Members from the electronics unit helped set up the lighting effects, and all members and friends put their time and effort into the assembling the triumphant float. Other activities in which club members participated included volleyball, the Christmas party, toboggan trips, an ice skating party, and a skiing trip to Chestnut Hill. The state convention was the highlight of activities for this year's club. Officers and sponsor represented UTHS at the affair, which was held in Springfield.

The float from Tri Mic Club takes first place in the clubs division in the Homecoming parade.

Key Club Builds Leaders

The Key Club, the high school equivalent of the Kiwanis International, swung into its new year with President Mark Bollaert leading the way. Operating under the helpful hand of the Kiwanis Club and school, the club planned their various programs. Composed entirely of students, the club was created to develop lead-

ership, good citizenship, initiative, and school pride. As a service club, most of the Key Club's programs revolve around community activities. Running the dunking machine at the county fair, having a car wash, and throwing a party for deserving members and their dates were high spots of activity.

Mark Bollaert gets some support from fellow Key Club members Craig Rowlands and Chuck Hughes.

Athletics

For fun, exercise, and a sampling of many sports, over four hundred girls at UTHS joined the Girls' Athletic Association this year.

Once or twice a week after school, these amateur athletes earned points by participation in any of the many units sponsored by GAA. Among these were basketball, volleyball, bowling, archery, and gymnastics.

An annual event attended by many girls was the Tea and Initiation Ceremony held on January 23. Members at this time received pins, charms, and letters as awards. The highlight of the year was the selection and crowning of the Queen and her Royal Court during a special assembly.

In the spring, the GAA Dance was held. Members planned and decorated for the affair, and each girl made a corsage for her date.

Under Direction of Sponsor Coach Talley

Under the new sponsorship of basketball coach Cliff Talley, the Letterman's Club raced forward. Working closely with the club's officers, Coach Talley strove to promote more pride and honor in being a letterman. The seasonal pep pins were sold, along with the Coach's new innovation of "Health Bars for Christmas." Sales were high in both categories, and by New Years the club was in excellent financial standing.

February 23rd, the annual Faculty-Letterman game was held. Students, teachers, and administrators all turned out to watch that hilarious classic event.

As the basketball season nosed into full swing, the lettermen took over the jobs of ushering and selling programs at each home game.

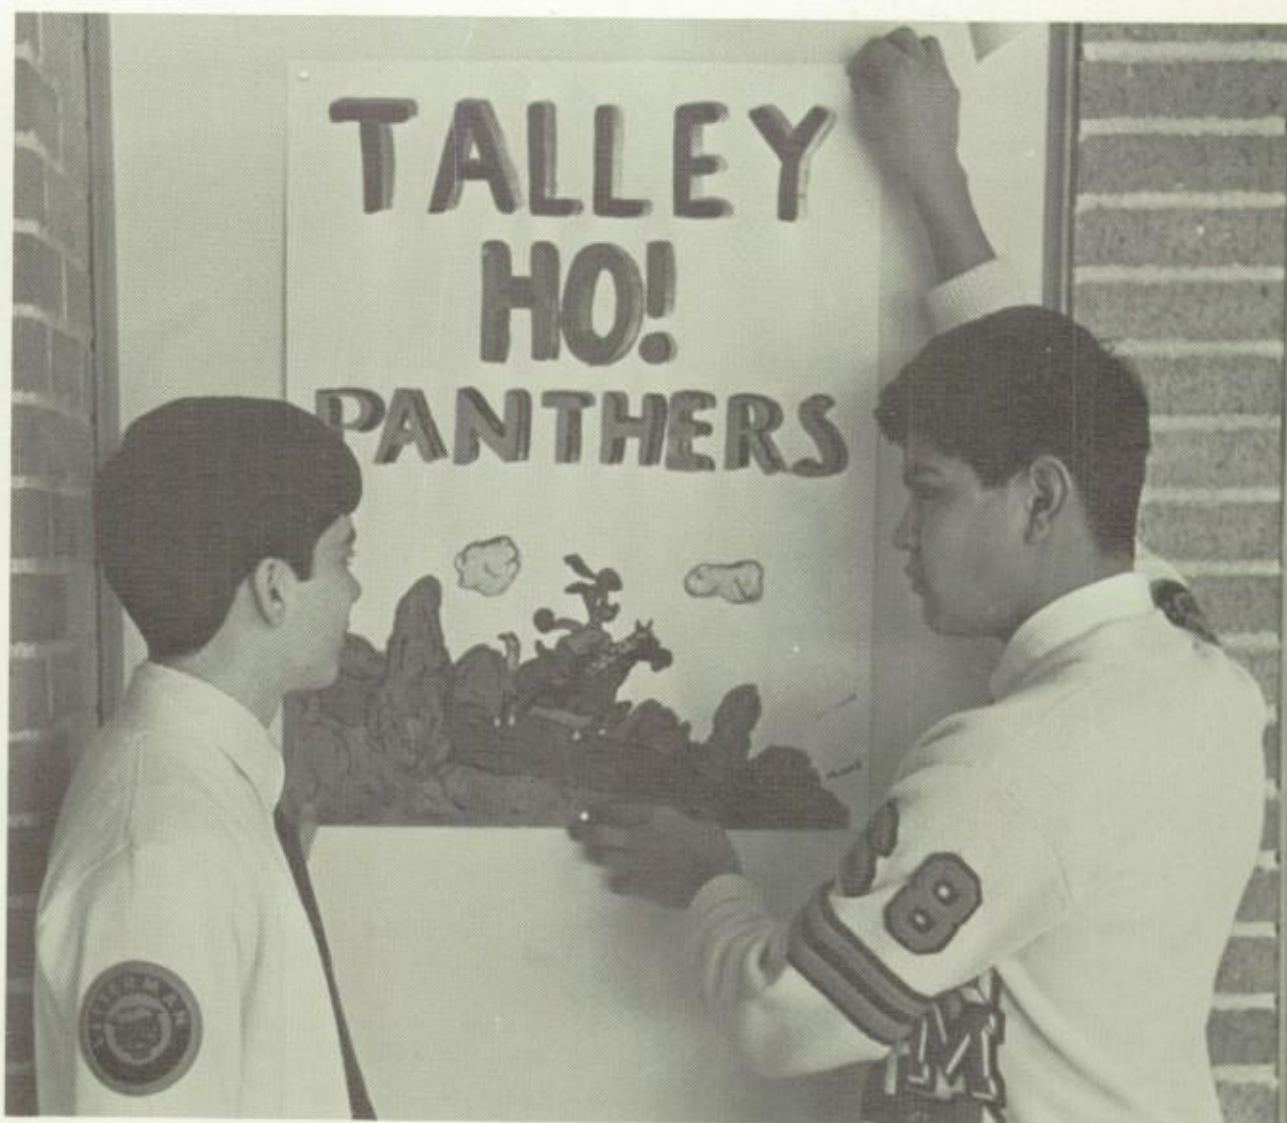

In the spring the Most Valuable Letterman award and three scholarships were given to the lettermen having the highest scholastic standings.

Mullen. Not present for picture were board members Alvin Dobreiner and Richard L. McChesney.

Hill Appointed as New Superintendent

Assistant Superintendent of Curriculum A. T. Berghult and board member Allen McGehee discuss one of the many problems which arise at UTHS.

The dedicated efforts of the school board provided UTHS students with the best education possible. The board governed a wide range of activities as changes were discussed at monthly meetings.

Many administrative changes were made this year. Filling the position of superintendent was Mr. Hill, former grade school administrator. Mr. Berghult, new assistant superintendent in charge of curriculum, worked with department heads and authorized additions in every department.

Mr. Philhower remained as assistant superintendent in charge of business. He worked with the school board to finance higher education at a minimum cost to taxpayers.

A new administrative post, dean of students, was created. Attendance and disciplinary problems were handled by Mr. McCarter at the South Campus and Mr. Larry Greer at the North Campus.

United Township Hosts English Seminar

At the Freshman level and at the Sophomore level English was a required course. In these classes grammar, poetry, novels, and expression through speaking and writing were studied. In the junior and senior years the emphasis was on American and English literature, but journalism, speech and composition courses were also offered.

The foreign language department, using the audio-lingual method, taught grammar, pronunciation, and vocabulary of three major languages. A full four years of French and German were offered, and three years of Spanish. In addition, two years of Latin were taught at North Campus. This enables a student to specialize in one language or to study several different languages.

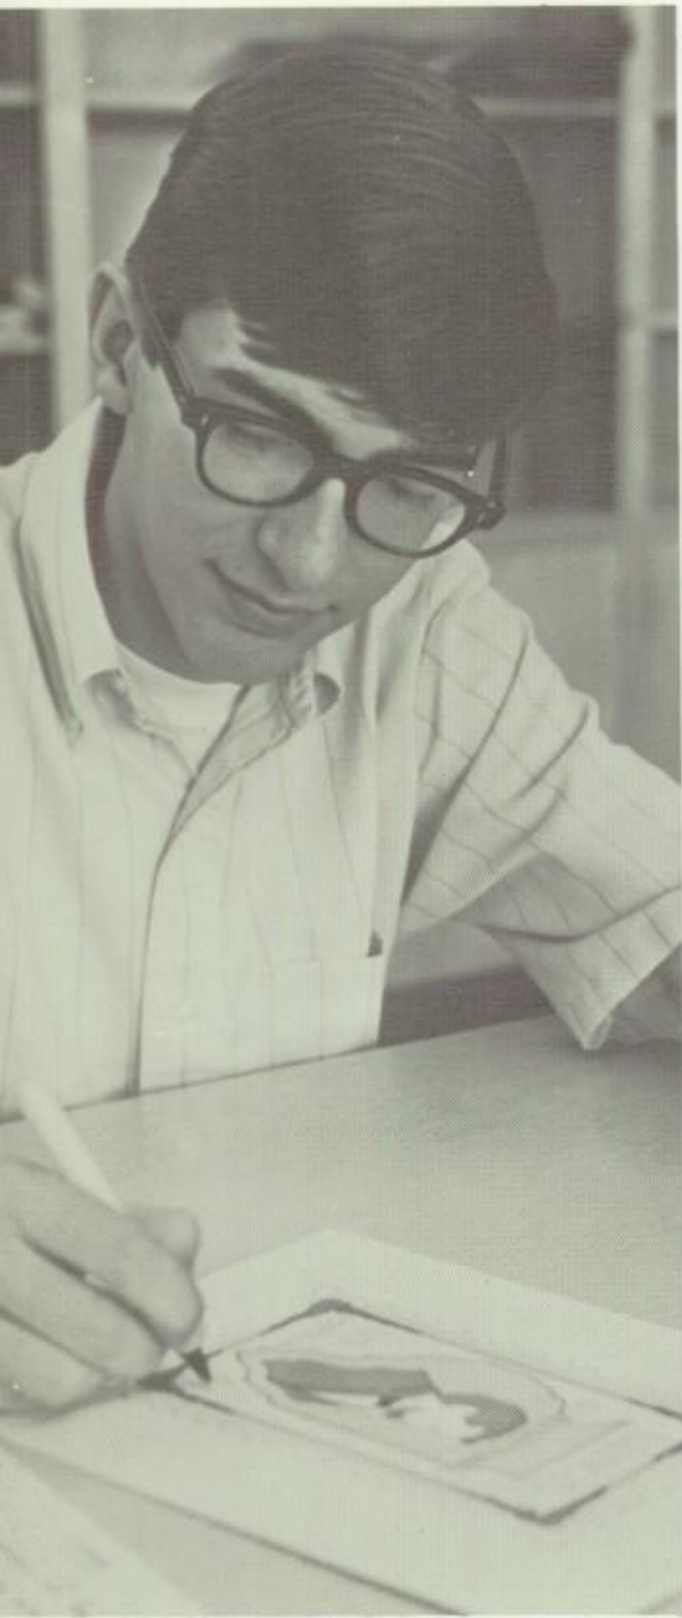

South Campus English teacher, Mr. Dymek creates a word picture for his students with the use of the record library.

The use of the English guide book and a dictionary aid Jim Dopler in the completion of his theme.

Initiated Into Fine Arts Curriculum

Barb Lannon.

New developments made at UTHS helped students to enlarge their cultural background and appreciate the fine arts.

In the Speech Department, a Radio-TV Workshop was offered for the first time in any area high school. Under the supervision of Mr. Neulieb, students analyzed radio and television programs and studied commercials. In addition, they made weekly news broadcasts at North and South Campuses, as well as broadcasts on KWNT. A television program entitled "Inter-act" was another activity of the department.

The Music Department continued to excel under the dedicated instruction of Mr. Williams. The various bands participated in assemblies, half-time activities at football games and climaxed the year with concerts at both

the North and South Campus. Added to the marching band were sixteen flag twirlers, giving a more colorful, spectacular appearance.

The Dramatics Department flourished under the direction of Mr. Beausang. Play production and acting classes had many opportunities to apply their classroom knowledge through the production of three shows during the year.

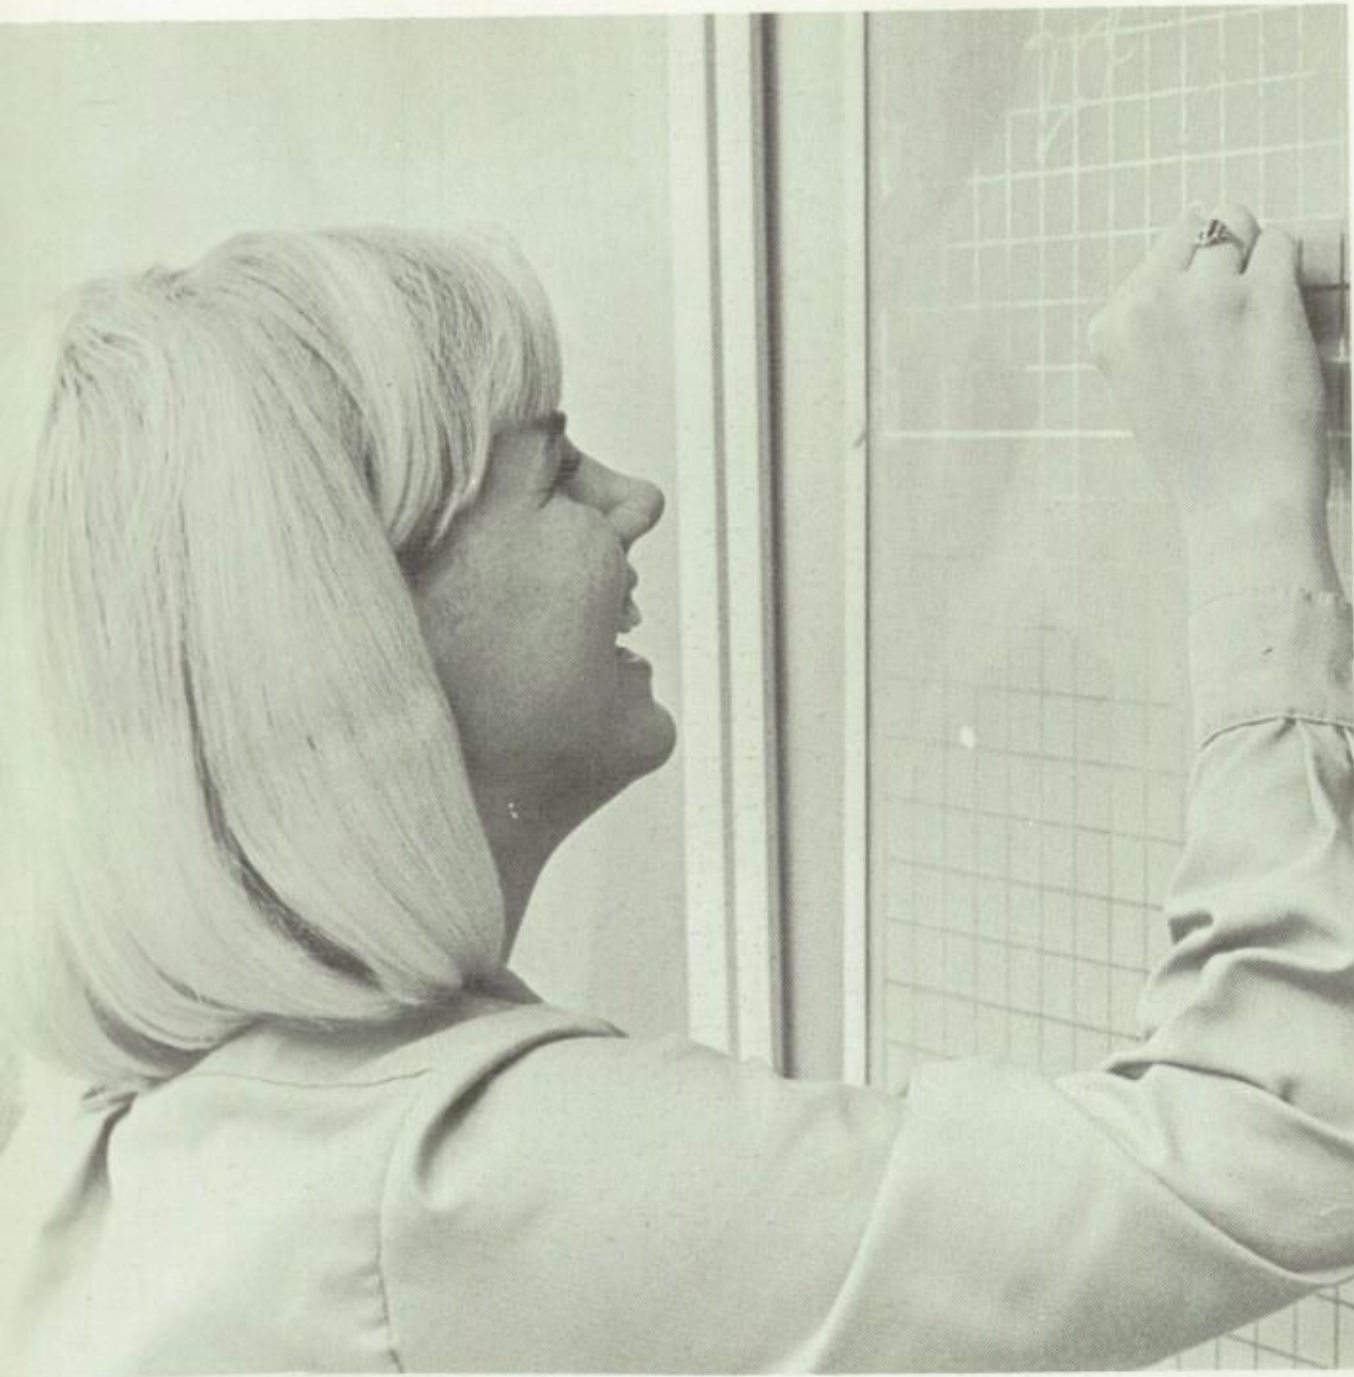

The Art Department headed by Mr. Small provided several types of decoration for the display cases and windows. Advanced Classes worked on collages, commercial art and oils.

Orchesis, the new modern dance class, studied expression to music and presented several performances, helping make a more varied, expressive fine arts program at UTHS.

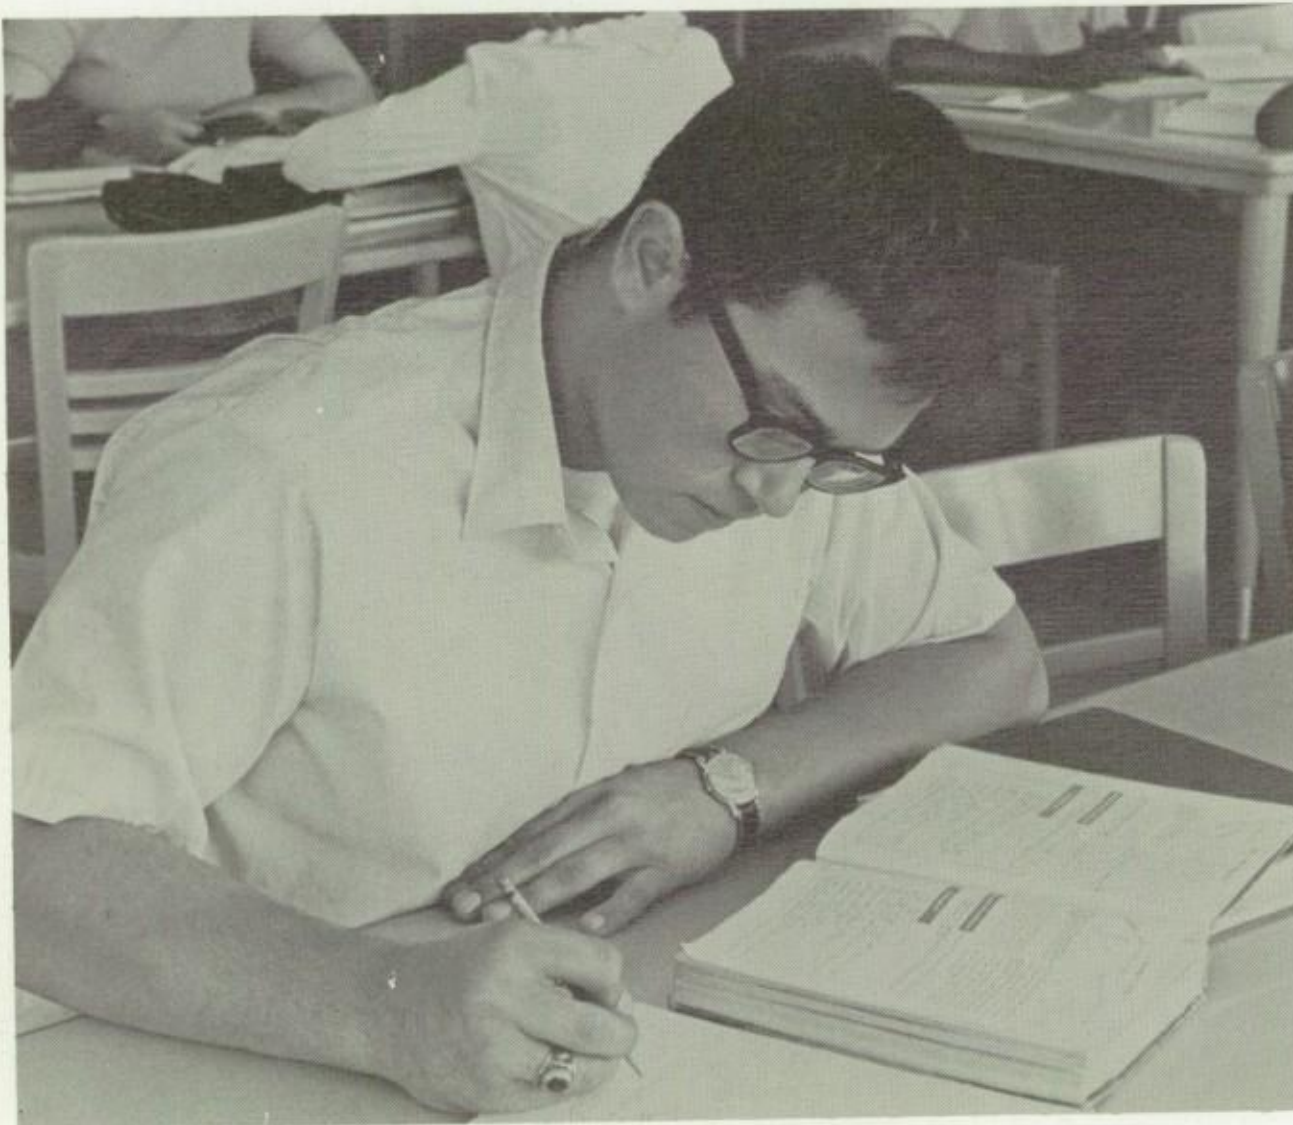

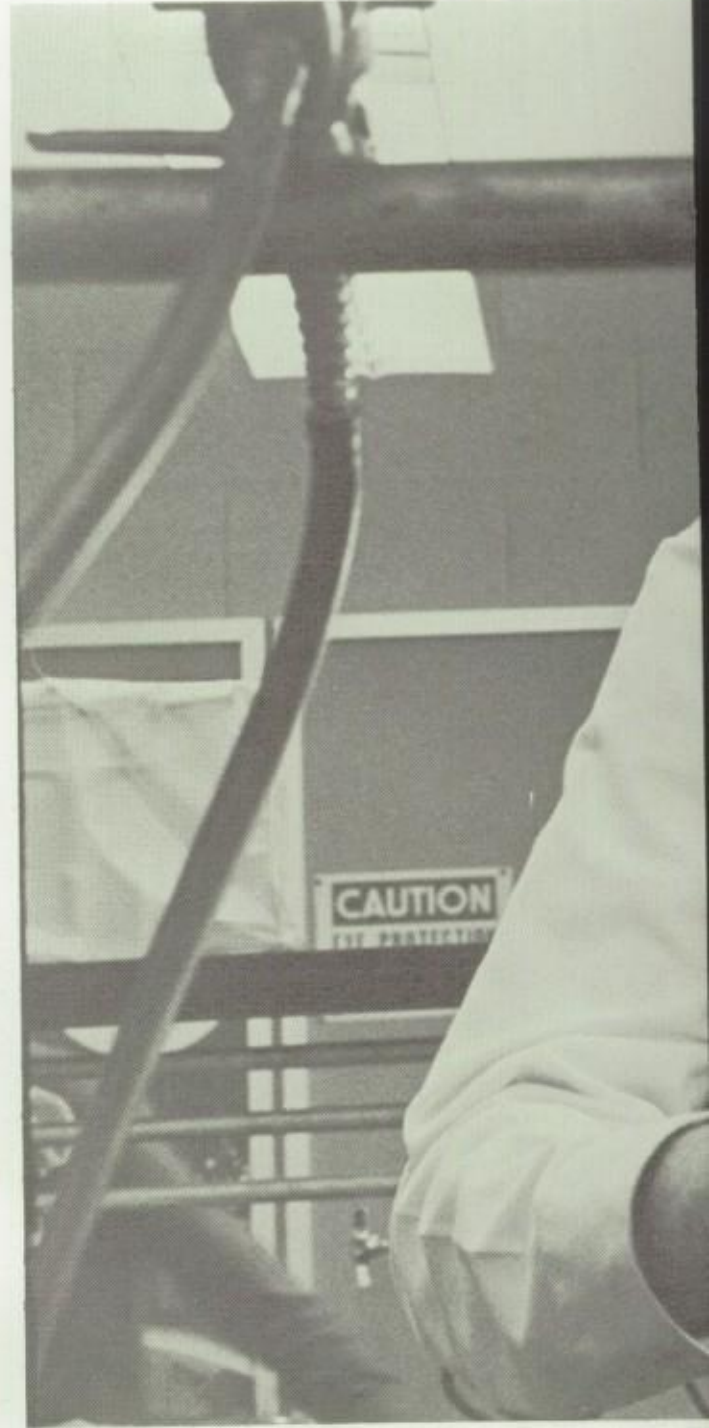

Band students devote their free time to make enjoyable half-time entertainment.

Science Expand to Meet UTHS Needs

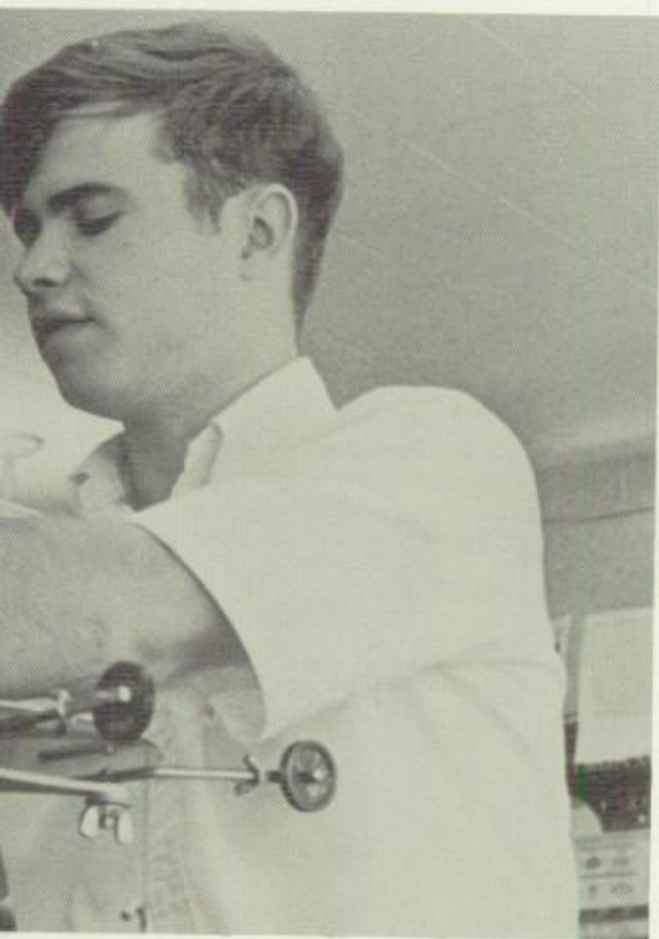

The UTHS Mathematics Department, headed by Miss Eis, reached an ultimate in courses offered to students. For a college preparatory course students could begin with accelerated Algebra I and finish with College Math and Math Analysis. The students who completed the accelerated course were ready for a sophomore college calculus course, according to Mr. Allee. Students entering business fields were offered a math course designed to increase their math background, aiding them in future careers.

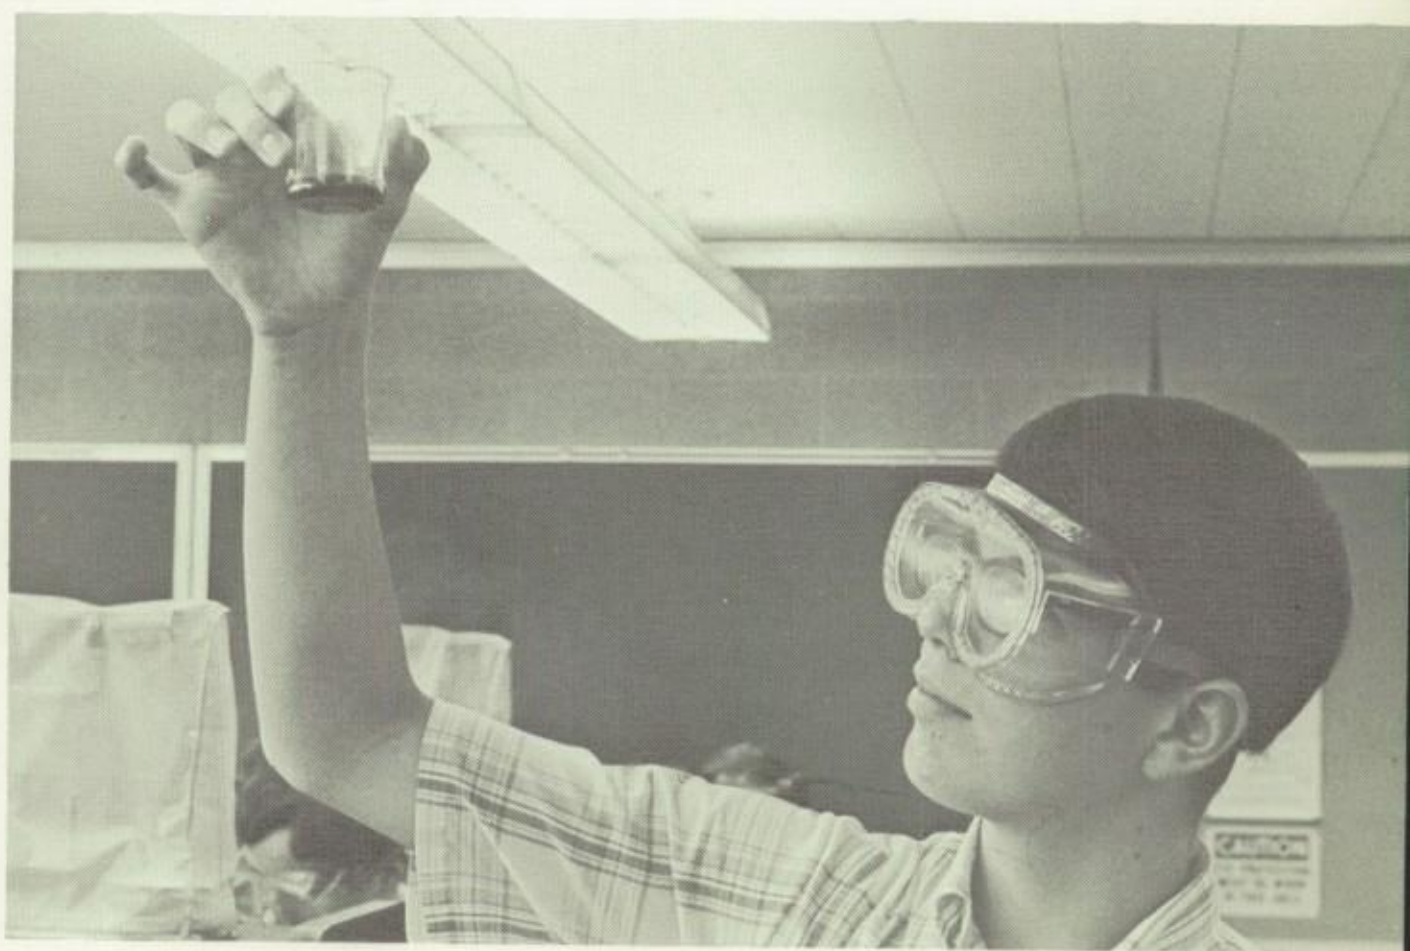

Under the direction of Miss Buresh, the Science Department continued to expand. Additional classes of biology at North Campus and chemistry at the South Campus were initiated to provide for increased interest in these fields. Aviation Science, a unique course introduced last year, gave a number of students the opportunity to fly a cross-country flight.

Both the science and math divisions have made great strides during the year in an attempt to expand the students' knowledge of the world and its functions.

Current Events—New Social Studies Courses

Nancy DeGrande and Mickey Headley present a discussion on teen-age marriages and divorces for their Sociology class.

The aim of the Social Studies department was to acquaint students with man and his dealings with other men.

Sophomores were placed in either regular or advanced World History. These classes studied man's achievements from prehistoric times to the post-World War II period.

Both regular and advanced American History courses were offered to Juniors. Advanced students did regular class work besides attending lectures in the auditorium.

Senior Government courses were again divided. Comparative Government classes contrasted the governments of England, Russia, and the United States. Regular government classes studied local, state, and federal government in the United States.

Many electives, such as Geography, Economics, and Anthropology were added to the second semester curriculum. Altogether, the Social Studies department prepared today's students to cope with tomorrow's problems through a critical study of yesterday.

Vocational Classes Develop Useful Skills.

D. E. students Karla Schloneker and Cathy McMahon apply skills by arranging the display window.

The industrial arts program which prepared students for the fast-expanding field of industry, has been acclaimed as a top one in the state. Students were instructed in drafting, electronics, woodworking and welding. The new vocational building constructed during the year provided room for modern industrial equipment and improved the students' opportunity to apply classroom techniques.

The homemaking classes studied foods, clothing, tailoring child care and other topics important in managing a household.

Typing, stenography, and shorthand classes prepared students for secretarial fields and taught them skills useful throughout their lives.

Program Enhances P.E. Curriculum

Many varied activities were found in the P.E. department. The Freshmen girls practiced nail care; the Juniors, campcraft; and the Seniors, First Aid and Civil Defense. Archery, track and field, badminton, scooters, modern dance, ball calisthenics, and, of course, those never-ending warm-up exercises were included during the year. The Senior girls also shared a Co-Ed Recreation Unit with the boys.

The boys participated in tennis, soccer, track and field, weightlifting, golf, and First Aid, to name just a few activities. A particularly interesting unit for Seniors was bowling. The boys were taught basic fundamentals such as stance, stride, backswing and release of the ball. They practiced first on the alleys painted on the boy's gym floor and later went to Regal Lanes and practiced on regulation lanes with regulation balls. Since bowling is a carry-over sport, the unit was very worthwhile.

Thought-Invoking Senior

Cindy Leahy, D.A.R. Award Winner, . . . is a person of many

The Senior Class of 1968 was headed by Jack Brooks, President; Debby Ruby, Treasurer; Beth Sipes, Secretary; and Keene Kruckenberg, Vice-President.

Motto "In Ourselves Our Future Lies"

Beginning an early school team in August of 1967 the Seniors realized that everything they experienced this year would be the last time in their high school years. They cheered at their last football games, danced at their last Homecoming Dance, registered for their last semester, attended their last plays, watched their last basketball and wrestling contests, worked for their final grades in anticipation of May and graduation.

Academic excellence was reached by an outstanding number of '68 Seniors. Alan Nordstrom astounded all of United Township with his internationally famous computer code, recognized by professors in America as a great step in computer study.

Cap and gown measurements in January and the vote for class colors, flower, and motto, made Seniors realize their hard-worked-for goals would soon be fulfilled.

The Spring Prom "Gone With the Wind," added another page to the Senior's memory album of four years at United Township.

Graduation on May 29th closed the last high school chapter in each of the Seniors' lives introducing them into adulthood.

Alan Nordstrom's Code

Spending countless hours in play production classes and free time after school, seniors work on backstage projects. Here, Jamie Horst paints musical scenery under the critical appraisal of Brenda Newman.

Al Nordstrom is presented with a certificate of achievement by Dr. Jeffrey Robinson, University of Iowa professor, as Principal Stanley Sosnouski

and math teacher Charles Allee observe. Spending ten weeks at the University last summer, Al

perfected an inter-computer code and had a scientific paper published.

Challenging

With mixed emotions, the Class of 1969 entered the halls of South Campus. The juniors were anticipating a completely different atmosphere at the new building, and the South Campus measured up to all expectations. Juniors once again experienced the confusion they had known as freshmen at the North Campus two years before. However, after a few days at South Campus they felt completely at ease in their new surroundings.

The ordering of class rings was the first highlight for the junior class and their arrival brought a feeling of achievement to the Class of '69.

Many juniors took the Preliminary Scholastic Aptitude Test, designed to give students experience for college entrance exams. The National Merit Scholarship Test was also administered.

The annual Junior-Senior Prom began a whirl of activities for the Class of '69. Preparations started in November with the selection of committees. The Prom reflected all the hard work and creativity of the junior class.

As the year drew to a close, the juniors reflected upon their three years at UT—the disappointments, the problems, the hopes, the heartaches—all combined to make three wonderful, memorable years.

Spirited

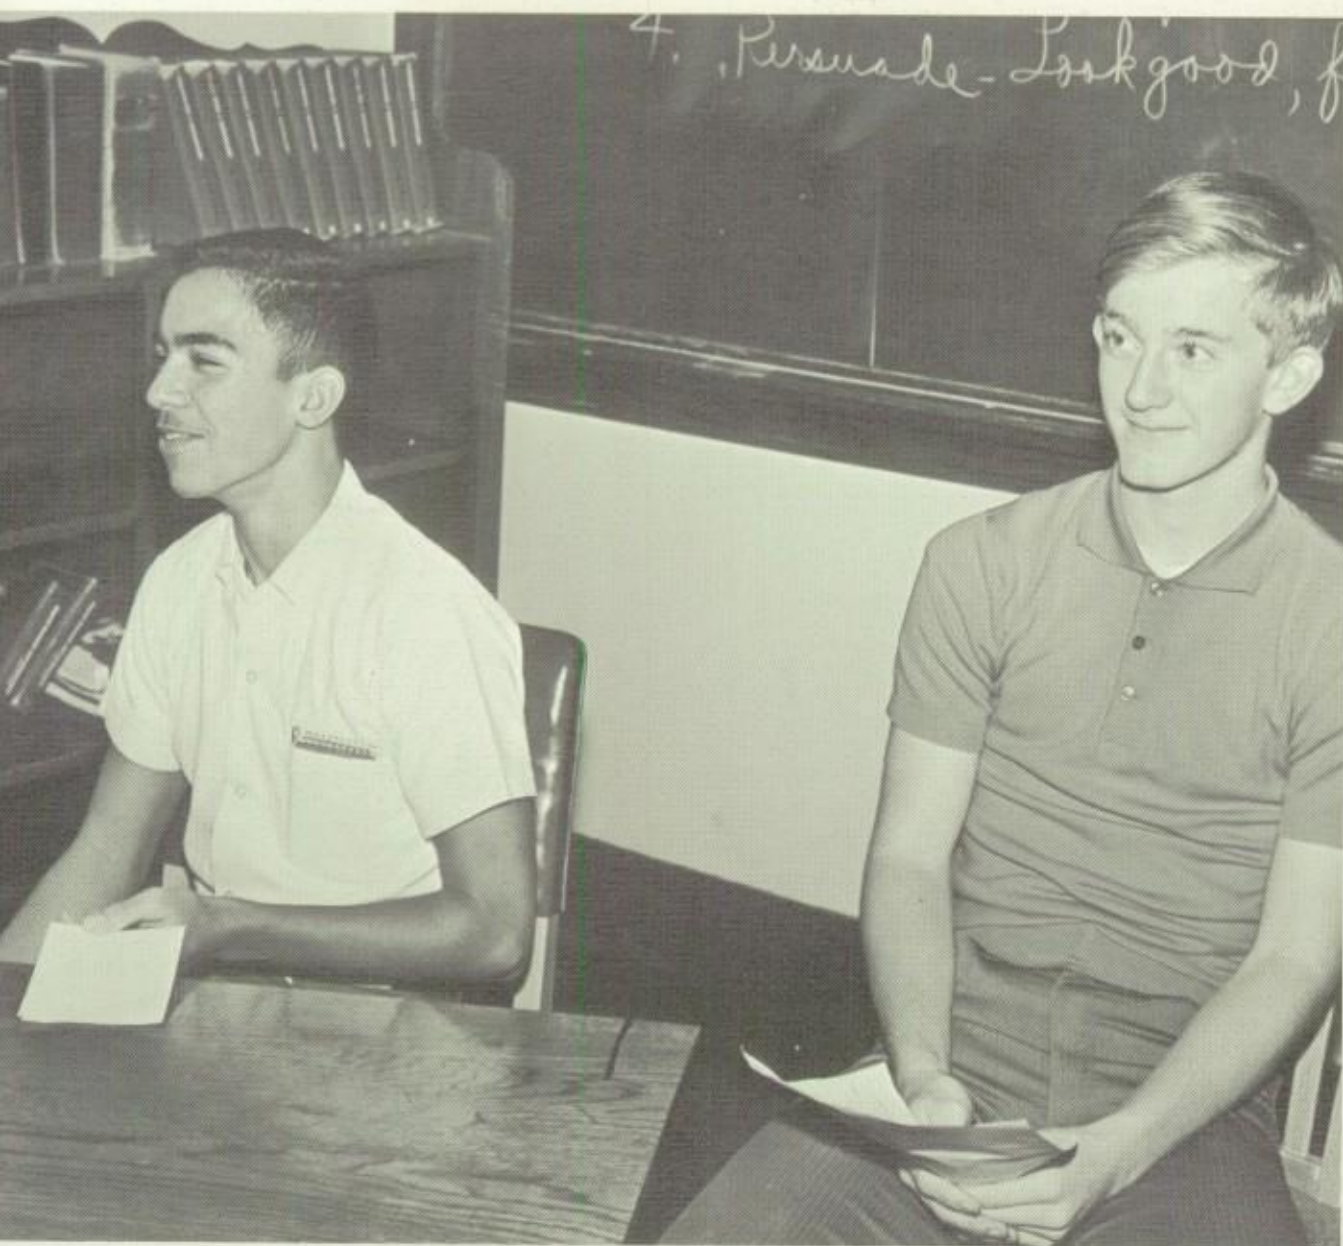

Dave Kappas and Cyndi Hasselbusch fold the school newspaper for delivery to the students.

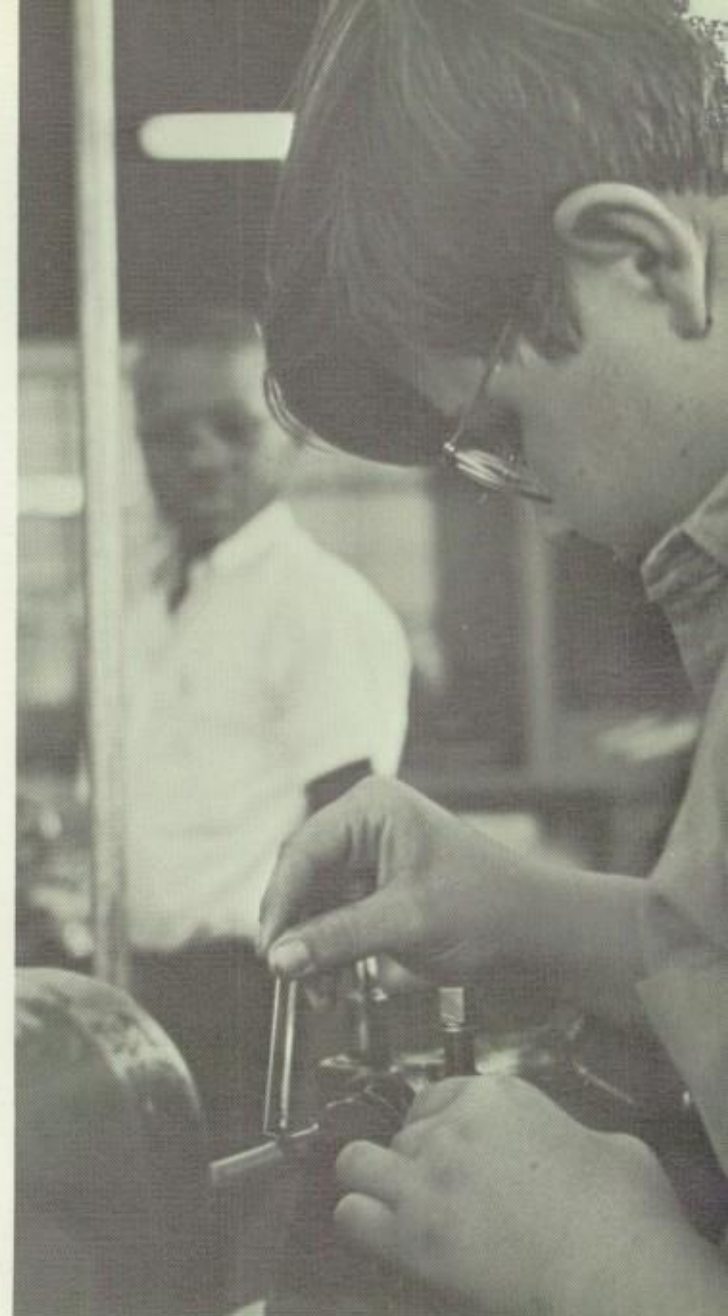

The school year of 1967-68 proved to be quite productive for members of the sophomore class. The required courses of English, world history, and physical education were supplemented by a wide variety of elective courses to interest all students. As a part of the physical education program, safe driving and rules of the road were studied in driver education classes. This was followed by behind-the-wheel training which put into practice everything learned in the classroom. Sophomores were also required to take a nine week course in personal health which gave instruction in hygiene and social behavior.

School spirit received a boost with the renewal of the Pep Club. The enthusiasm of the members of the Class of 1970 contributed to the success of the club.

Sophomores really became a part of school spirit as they entered into athletic competition in the Mississippi Valley Conference, where they met with big school competition.

UTHS Freshmen Class of 1971

Everyone goes out to support the Panthers on game nights.

Confused, awed, and somewhat overwhelmed, the Class of 1971 entered the North Campus. The newness of a large building and so many new people left many freshmen tired and depressed the first few weeks. Soon, though, they were caught up in the whirl of activities at UTHS.

The thrill of cheering for the first time as part of the UT student body, watching the school plays and musical, joining new clubs and never ending homework—All of these were an exciting part of the ever important first year in high school.

During the course of the year, the freshmen made their mark on the '67 records of UT. After much hard work, their float took fourth place in the Homecoming contest. The Black football team compiled an outstanding record with only one loss. Enrollment made the biggest impression with an all time high of 720 in the class of 1971.

Adjustment, achievement, activity—These were all a vital and remembered part of the freshman year.

Hi! I'm Natalie Adolphi and I am "Helping My Daddy Get His Master's," with my great-grandfather's old camera. This portrait was awarded a merit at the 76th Exposition of the Professional Photographers of America and is credited towards the Master Photographer degree bestowed by this distinguished organization. My daddy takes the same care in creating every portrait, as he did with this prize-winning one of me, his own daughter. I hope everyone in the whole world will soon have a portrait created by my daddy!

I've a future I must build

There are plans that I must draw.

Then let this timid hand of mine
Be guided, line for line,
With that steady, certain trueness
Of the Hand that planned
This universe.

There are materials I must choose.

Then let this casual mind of mine
Choose with the wisdom of the Mind
That fixed the substances
Of things like grass and trees
And mountain peaks.

There are decisions I must make.

Then let me make them with that sureness
That divided land and sea,
And day and night, the birds that fly
And beasts that roam the field.

There's a determination I must have.

Then let me bind myself unto such things
As principles, and truth, and right
With that same permanence
That holds in their celestial places
The sun, and stars,
And all the heavens' gems.

I've a future I must build.

So, let me build it with such care,
such tools, such wisdom,
And with such a rugged firmness,
That all the fiercest thrusts
Of host or elements
Cannot destroy it.

Aye, I've a future I must build . . .
Let me rise, then, to the task!

Graduation from High School represents the attainment of an important goal. But it is only the beginning.

Where you go from there, how much you accomplish, depend for the most part upon careful planning, hard work, and a continuing effort to improve.

At Iowa-Illinois the same principle applies. We continually plan and work to improve our facilities—to keep ahead of increasing customer requirements. "Service to Our Customers is Our Prime Objective." We expect to continue to accomplish this objective.

In Memoriam

Gary Standefur was born February 14, 1950 in Rock Island County and was killed in an automobile accident on October 8, 1967. Gary was a member of the Class of 1968. He was active in the Distributive Education class and was employed at Turnstyle in Moline.

Julie,
It's really
been a riot this
year! You're really
sweet! & cool! Remember
all the fun in the A/V room
& when we went out to eat
at the S.A.A. Room. Good
fuds always
Yes ... Love ya! - Barb

Julie,
To a sweet
little girl,
a little girl,
guys but with the
need it, hope you won't
lose this summer!
alot
Laurie

Julie
To a sweet
kid. Hope to
see you around
some time. Be
of luck to you
(You'll need all
of the luck you
can get if you
go to Sablos)

Autographs

Julie,
Here's hoping you
always have friends
as nice as me!
Riley means
"69"

Julie - I didn't
see much of
you this year, but
I'll see ya this
summer. Be good
and don't take
all the guys.
- Colleen

Julie,
I would have
never made it thro-
ugh history without
you to talk too.
We had fun in A.V.
Hope you come over
alot this summer.
See you then
Love
Cath

Julie Faye,
Lots of luck in all you
do. Remember all the fun in
English and the A.V. room.
Good luck with the guys.
Hays says to say Love
George

Julie, we
too bad have PE
didn't have 2nd semester
together. Had just started
But I wish it was summer
while we were together
Hope we crossed together
years. BFB

Julie - So a real
sweet girl with a
real neat name.
Remember all the
things we did in
A.V. that we
shouldn't have!
Have fun this
summer and Julie

Julie
Good luck in your
future years. Stay as
nice & sweet as you are.
Remember all the fun we
had in the A.V. room.
Brenda

Julie,

Sorry I took
the record player
away from you 2nd
period, I needed the grade.
But don't worry, it won't hap-
pen again - he gave me a "C".
The meanie.

luck always,

Marilyn C.

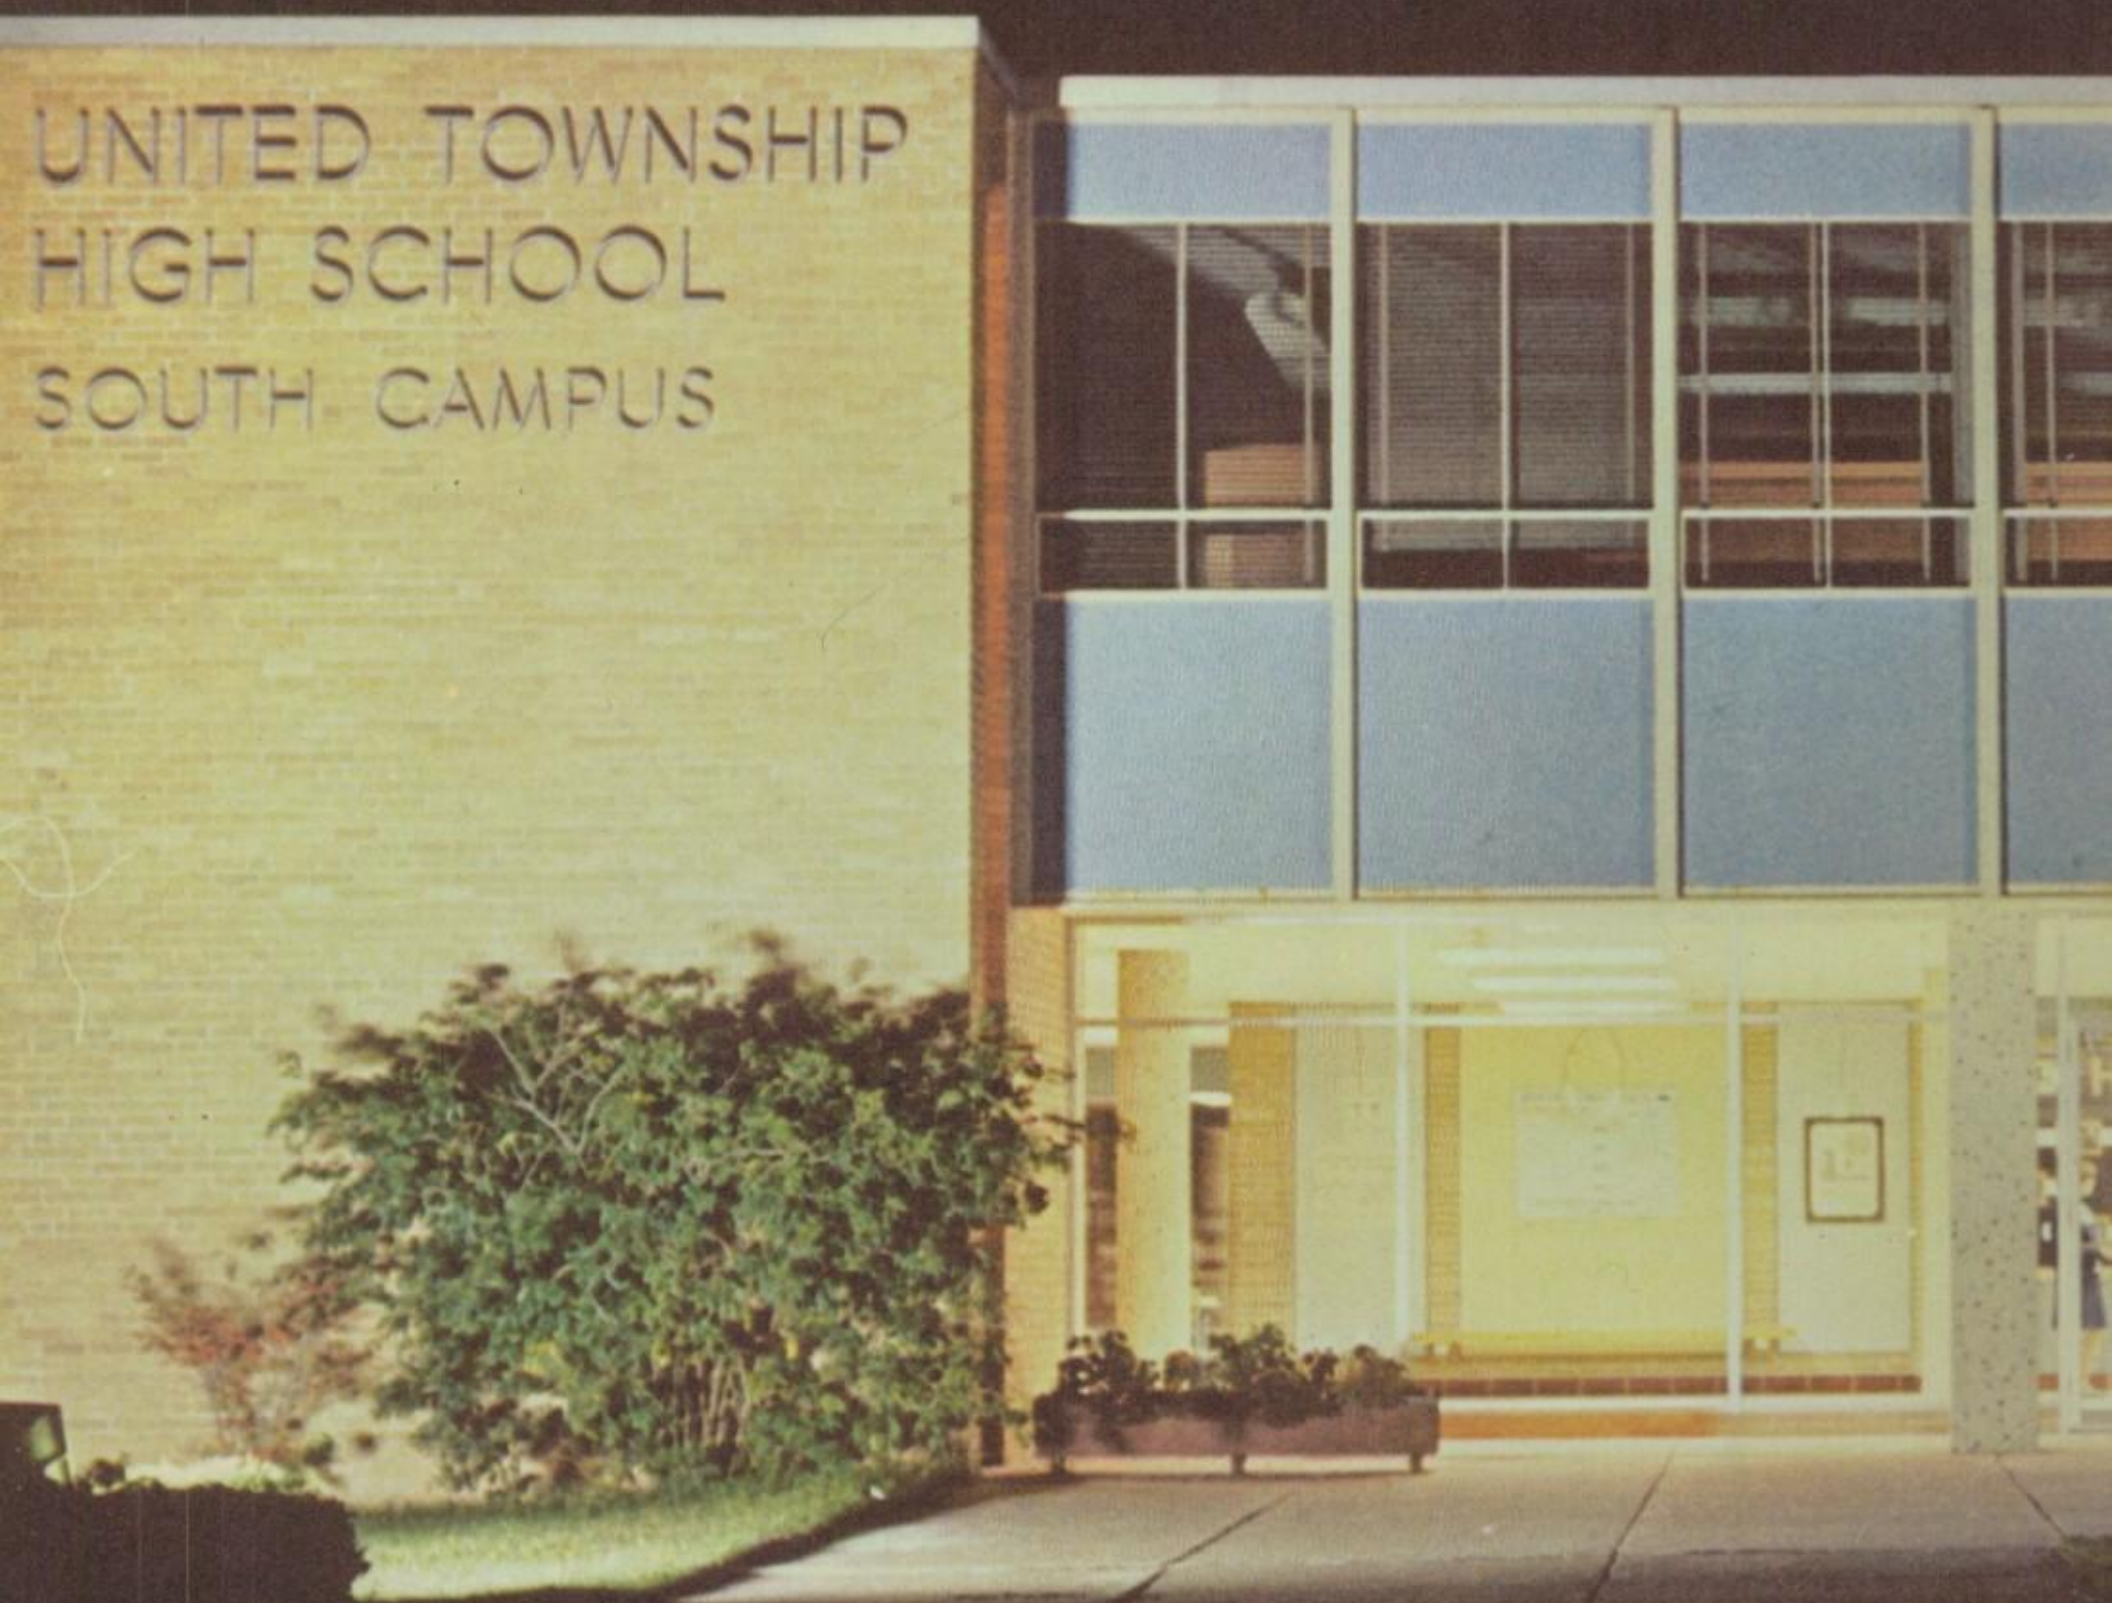

Julie,
to one of girls
the sweetest girl
I know. Don't ever
change. I'll probably
be down to 100 lbs
see you this summer.
I'm sure dad I go
to know you this year.
Have fun this summer
and be good if you can
do both! otherwise just
have fun. See you
next year. Marilyn

Julie, really is a
do a girl who
cute of fun. I
lots of fun. I
our great the
expected this
I expect more
be good more
be fun with
do can of this
I can of this
of fun story
of the party
the party

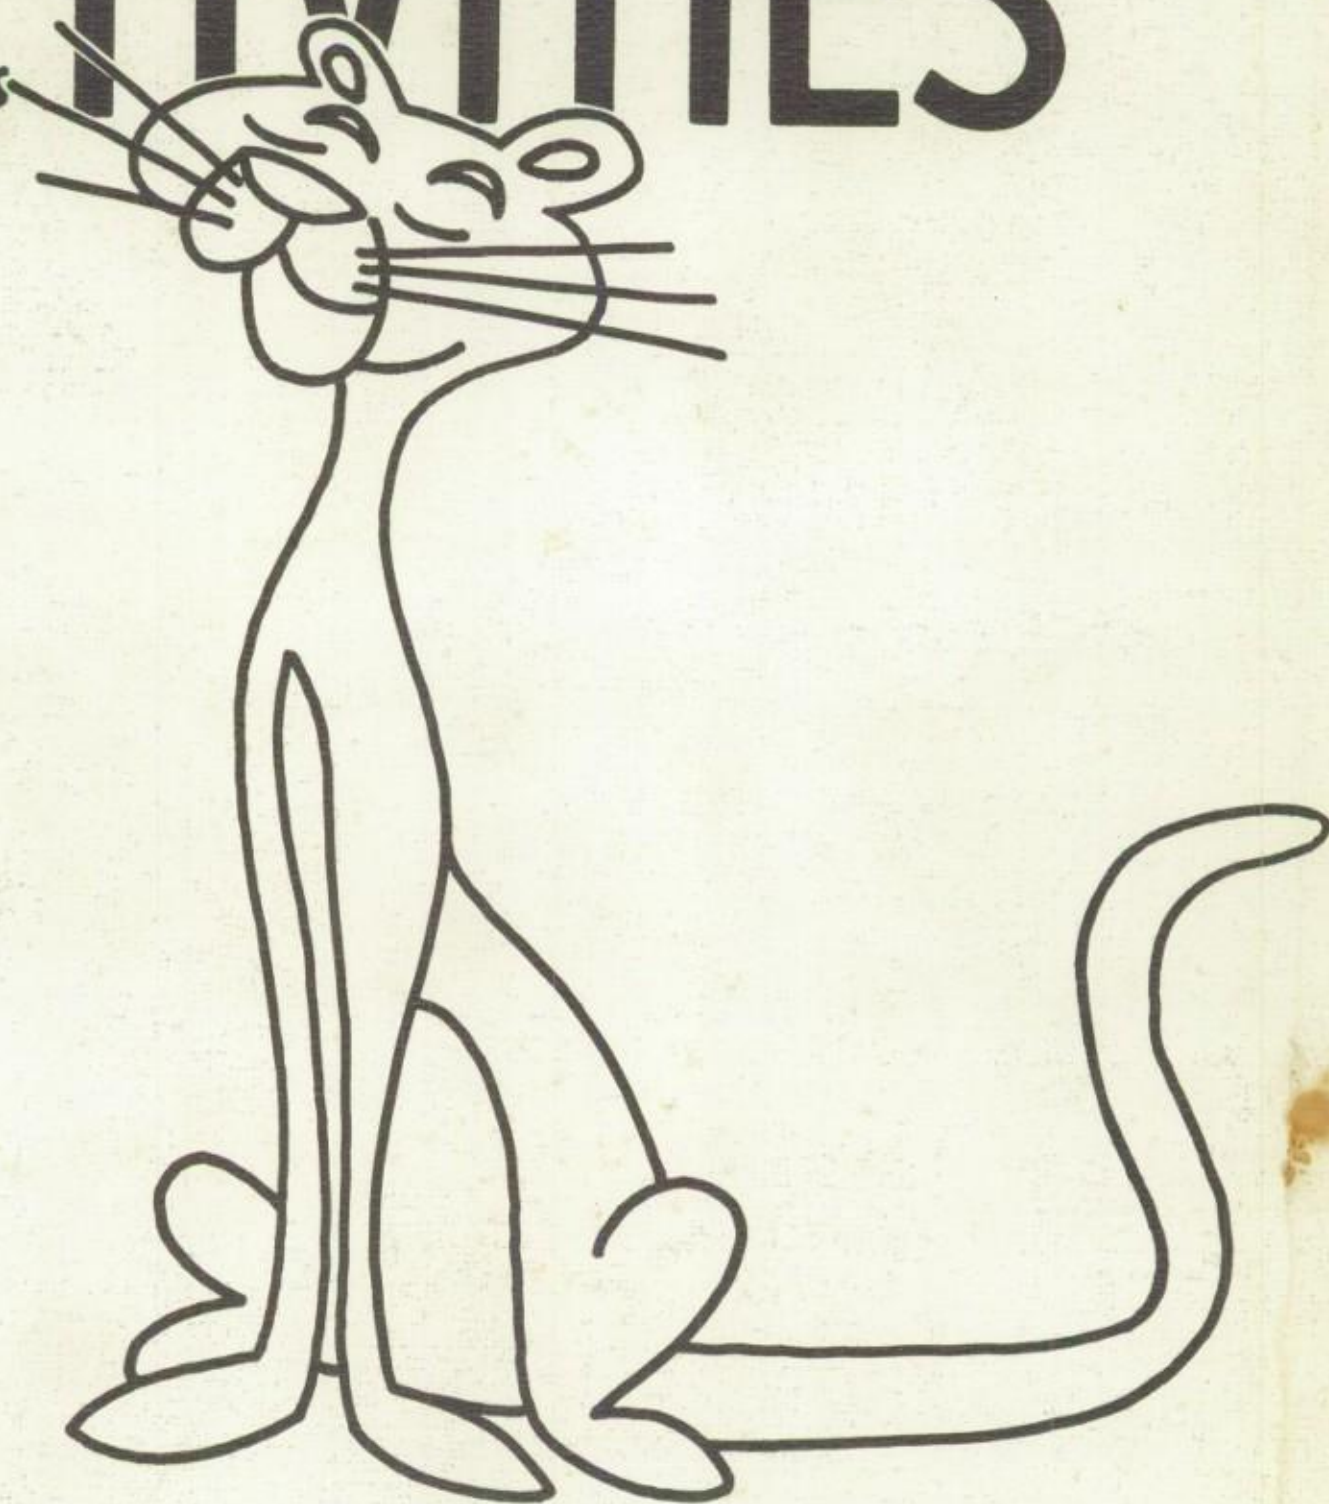

Julie,
We've really had
alot of fun this year
haven't we? It was fun
when we met those guys from
Rock Island. It was really different.
Next time you can go with them. There
there was the time you lost Blunt. You're
such a great driver! Remember the times we've
gone to the Draught House and how much fun we
had. Especially the time we got attacked! Wasn't that
funny?! Well, things have really worked out different this
year haven't they? Just think, we're seniors! Good luck, you've
been a great friend. I'll see alot of you this summer, I hope.

Love ya,
Jannice
